Funding Update and Geelong Project

Little Creatures is pleased to announce it has entered into a conditional facility agreement with the Commonwealth Bank of Australia (CBA) which will provide debt funding for up to \$51 million over the next three years.

This funding will be used for the refinancing of existing facilities as well as the development of a brewery in Geelong. The establishment of the CBA facility has also enabled Little Creatures to sign an agreement with Kronos, for the construction and commissioning of a brew house to its agreed specifications. Having now received a Development Approval from the Geelong Council, it is anticipated the brewery will be operational by late 2012.

It is anticipated that preparatory works on the Geelong site will commence shortly.
