### **About MediVac Limited: "MDV"**

MediVac delivers cleaner, safer healthcare solutions.

MediVac Technology offers a best practice solution to the handling and remediation of clinical waste. The MetaMizer is an environmentally friendly alternative waste management system for hospitals and quarantine facilities, providing sterile, safe waste disposal on site and reducing waste to landfill by up to 90%.

SunnyWipes are a range of powerful hard surface wipes and hand sanitising gels produced with ingredients derived from natural sources. Using green chemistry, SunnyWipes provides a more natural solution for infection control and disinfection on topical skin and non-porous hard surfaces. SunnyWipes decrease human and environmental health risks.
