## **ASX ANNOUNCEMENT**

### **3rd June 2011**

#### **Appointment of Director**

The Board of MIKOH Corporation Limited (ASX: MIK) is pleased to announce that Mr Namchoke Somapa has been appointed as a non-executive director of the company following the acquisition of a 19.9% interest by Kollakorn in MIKOH.

Mr Somapa who holds a Master of Business Administration is the founder and CEO of Somapa Information Technology and the CEO of Kollakorn our partner in Thailand EVR/AVI rollout. Somapa Information Technology is the major shareholder of Kollakorn. Mr Somapa's background in marketing and software development enables him to understand both the business and technical aspects of MIKOH's EVR business in Thailand. Mr Somapa's vast network of contacts both in Thailand and internationally reach from as far as the United States, Africa, the Pacific Islands and back to Asia.

Somapa Information Technology which was founded in 1992 and is based in Bangkok, Thailand provides information technology consulting, planning, designing, training, and training services. The products of the company include Border Control Systems to monitor and verify information from passengers traveling to and from countries; Intelligent Transport System for traffic management; e-library, an automated library system; and Remote Monitoring System, a communication device. The company provides application development, call center, document imaging, data entry, and research survey service.
