**RESULT**

The net loss for the half-year was \$91,283,442 (2007 profit: \$1,127,763).

**REVIEW OF OPERATIONS**

In September 2008, the copper price fell 15% and then went into freefall, falling a further 37% during October 2008. These severe falls affected all industry participants and were caused by macroeconomic factors well beyond the control of the Company, particularly the global economic slowdown which directly impacted on demand for copper and other metals.

The Company had an offtake and sales arrangement with Glencore International AG ("Glencore") which involves Glencore making provisional US dollar denominated invoice payments to the Company on delivery of copper cathode to Glencore in Townsville. The provisional invoice amounts were later adjusted for changes in the average US dollar copper price during the month of shipment.

It became apparent in early November 2008 that the Company would be required to pay a significant adjustment amount to Glencore under these arrangements given the decline in the copper price and the weakening of the Australian dollar

The Board held discussions with representative of Glencore in Perth in the week ended 7 November 2008 with a view to possibly restructuring the arrangements with Glencore which would enable the Company to continue to trade. However, it became clear that a resolution would not be reached within a reasonable time. Having considered all matters, the Board concluded that it had no option but to appoint administrators to the Company.

Accordingly, on 11 November 2008, Vincent Smith and Justin Walsh of Ernst & Young were appointed as Joint and Several Administrators of the Company under Section 436A of the Corporations Act.

On 12 November 2008, the Company's securities were suspended from trading on the Australian Securities Exchange.

On 14 November 2008, Glencore, being a secured creditor, appointed Gary Doran and John Greig of Deloitte Touche Tohmatsu as Receivers and Managers.

**EVENTS SUBSEQUENT TO BALANCE DATE**

Since the end of the half-year and the date of this report, the following has occurred:

- On 13 February 2009, the Receivers and Managers released an ASX announcement advising that exceptional rainfall in the Mt Isa region had necessitated a move to full care and maintenance.

**MATRIX METALS LIMITED (Subject to Deed of Company Arrangement)  
(In Liquidation) (Receivers and Managers Appointed)**

**DIRECTORS' REPORT**

- In May 2009, the Receivers and Managers entered into a sale agreement with Deep Yellow Limited (ASX: DYL) to sell EPM's 14916 and 14281 and EPM application 17000 for \$1.4 million. The tenements had previously been part of a joint venture between the Company and Deep Yellow Limited.
- On 9 June 2009, a first meeting of creditors was held and on 18 June 2009, at the second meeting of creditors, creditors resolved for the Company to be wound up. Accordingly, the Administrators became the Liquidators with immediate effect.
- On 25 August 2009, the sale of EPM 14916, EPM 14281 and EPM 17000 (under application) to Deep Yellow Limited for \$1.4 million facilitated by the Receivers and Managers was completed.
- On 16 November 2009, the Receivers and Managers of the Company entered into an agreement to sell the Leichhardt Copper Project to Cape Lambert Resources Limited. A deposit of \$1 million was paid at that time. On 18 August 2010, the sale completed and the balance of the purchase price of \$6.7 million was paid.
- On 23 December 2009, the Liquidators of the Company entered into an agreement to sell the White Range Project to Queensland Mining Corporation Limited for a consideration of \$5 million. On 20 July 2010, the sale was completed.
- In August 2010, the Liquidators of the Company entered into a deed to recapitalise the Company. The process is subject to creditor, shareholder and regulatory approval.
- To facilitate the recapitalisation of the Company, it was necessary for the Company to be placed into voluntary administration. In September 2010, the Federal Court of Australia ordered that the liquidation of the Company be stayed and that the Liquidators be appointed Voluntary Administrators of the Company.
- On 1 November 2010, creditors resolved for the Company to execute a Deed of Company Arrangement ("DOCA"). The DOCA was executed on 9 November 2010, and the Administrators became Deed Administrators with immediate effect.

Other than the above, no event has arisen since 31 December 2008 that would be likely to materially affect the operations of the Consolidated Entity, or its state of affairs which have not otherwise been disclosed in this financial report.

**AUDITOR'S INDEPENDENCE DECLARATION**

**CONDENSED NOTES TO THE FINANCIAL STATEMENTS FOR THE HALF-YEAR ENDED 31 DECEMBER  
2008**

**1. SUMMARY OF ACCOUNTING POLICIES**

Matrix Metals Limited (the “Company”) is a company domiciled in Australia. The consolidated interim financial report of the Company for the half-year ended 31 December 2008 comprises the Company and its subsidiary Maxiforde Pty Ltd (together referred to as the “Consolidated Entity”).

The consolidated interim financial report does not include all of the information required for a full annual financial report, and should be read in conjunction with the consolidated annual financial report of the consolidated entity as at and for the year ended 30 June 2008.

The consolidated interim financial report was authorised for issue by the directors’ on 30 March 2011.

**(a) Incomplete Records**

The management and affairs of the Company have not been under the control of the directors of the Company since it entered voluntary administration on 11 November 2008.

This financial report was prepared by directors who were not in office at the time the Company entered voluntary administration or during the periods presented in this report. The directors who prepared this financial report were appointed on 22 December 2010.

To prepare this financial report, the directors have reconstructed the financial records of the Company using:

- data extracted from the Company’s accounting system for the period 1 July 2008 to the point the Company entered administration;
- the record of receipts and payments made available by the Administrator for the period from their appointment on 11 November 2008 to 31 December 2008; and
- the record of receipts and payments made available by the Receivers and Managers for the period from their appointment on 14 November 2008 to 31 December 2008.

Creditors have submitted claims to the Administrators which exceed the amount recorded as owing to suppliers in the books of the Company at the time it went into administration by \$38,292,668. The directors have recognised the excess creditor claims in this financial report. The Administrator has not yet finalised the adjudication of creditor claims. Consequently, there is no certainty that amounts recorded in this financial report as owing to trade and other creditors is complete.

It has not been possible for the directors to obtain all the books and records:

- of the Company for the period prior to the appointment of the Administrator and Receivers and Managers;
- maintained by the Administrator since their appointment on 11 November 2008; and
- maintained by the Receivers and Managers since their appointment on 14 November 2008.

Consequently, although the directors have prepared this financial report to the best of their knowledge based on the information made available to them, they are of the opinion that it is not possible to state that this financial report has been prepared in accordance with Australian Accounting Standards including Australian Accounting Interpretations, other authoritative pronouncements of the Australian Accounting Standards Board and the Corporations Act 2001.

**(b) Going Concern**

The directors have prepared this financial report on the basis that the Consolidated Entity is not a going concern. The directors are of the opinion that the Consolidated Entity will only return to operating as a going concern if the proposal to recapitalise the Company is successful. The recapitalisation process is subject to creditor, shareholder and regulatory approval.

On 1 November 2010, creditors resolved for the Company to execute a Deed of Company Arrangement, which was subsequently executed on 9 November 2010.

**CONDENSED NOTES TO THE FINANCIAL STATEMENTS FOR THE HALF-YEAR ENDED 31 DECEMBER  
2008**

**1. SUMMARY OF ACCOUNTING POLICIES (*continued*)**

**(b) Going Concern (*continued*)**

Shareholder approval for the recapitalisation process will be sought at a general meeting of shareholders. The Administrators and the promoters of the recapitalisation are working together to obtain the necessary regulatory approvals.

In the event that the relevant shareholder and regulatory approvals are not obtained, it is probable that the Consolidated Entity may be required to realise its assets and extinguish its liabilities other than in the ordinary course of business and amounts realised or extinguished may differ from those reflected in the financial statements.

**(c) Basis of preparation**

The financial report is presented in Australian dollars which is the entity's functional currency. The financial report is prepared on the historical cost basis. Current and non-current assets are stated at the lower of carrying amount and recoverable amount.

The accounting policies have been applied consistently by all entities in the Consolidated Entity.

**(d) Significant accounting policies**

The accounting policies applied by the Consolidated Entity in this consolidated interim financial report are consistent with those applied by the Consolidated Entity in its consolidated financial report as at and for the year ended 30 June 2008.

**2. SEGMENT INFORMATION**

The Company operates in one business segment and one geographical segment, being mining and exploration within Australia.

TO THE MEMBERS OF  
MATRIX METALS LIMITED  
(Subject to Deed of Company Arrangement) (In Liquidation)

## **Report on the Half-Year Financial Report**

We have reviewed the accompanying half-year financial report of Matrix Metals Limited (Subject to Deed of Company Arrangement) (In Liquidation) (Receivers and Managers Appointed), which comprises the consolidated condensed balance sheet as at 31 December 2008, and the consolidated condensed income statement, condensed statement of changes in equity and condensed cash flow statement for the half-year ended on that date, a statement of condensed accounting policies, other selected explanatory notes and the directors' declaration.

### *Directors' Responsibility for the Half-Year Financial Report*

The directors of the Company are responsible for the preparation and fair presentation of the half-year financial report in accordance with Australian Accounting Standards (including the Australian Accounting Interpretations) and the *Corporations Act 2001*. This responsibility includes designing, implementing and maintaining internal controls relevant to the preparation and fair presentation of the half-year financial report that is free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

### *Auditor's Responsibility*

Our responsibility is to express a conclusion on the half-year financial report based on our review. We conducted our review in accordance with Auditing Standard on Review Engagements ASRE 2410 *Review of Interim And Other Financial Reports Performed by the Independent Auditor of the Entity*, in order to state whether, on the basis of the procedures described, we have become aware of any matter that makes us believe that the financial report is not in accordance with the *Corporations Act 2001* including: giving a true and fair view of the consolidated entity's financial position as at 31 December 2008 and its performance for the half year ended on that date; and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*. As the auditor of Matrix Metals Limited, ASRE 2410 requires that we comply with the ethical requirements relevant to the audit of the annual financial report.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

*Independence*

In conducting our review, we have complied with the independence requirements of the *Corporations Act 2001*. We confirm that the independence declaration required by the *Corporations Act 2001*, has been provided to the directors of Matrix Metals Limited on 30 March 2011.

**Basis for Disclaimer of Auditor's Review Opinion**

The company and consolidated entity were placed into administration on 11 November 2008. Consequently, the financial information relating to the period under review, was not subject to the same accounting and internal controls processes, which includes the implementation and maintenance of internal controls, that are relevant to the preparation and fair presentation of the financial report. Whilst the books and records of the company and consolidated entity have been reconstructed to the maximum extent possible, we were unable to satisfy ourselves as to the completeness of the general ledger and financial records as well as the relevant disclosures in the financial report.

In particular, we draw attention to the accuracy of the \$38,292,668 creditor claims submitted to the administrators, and highlight that these claims are subject to the Administrator's adjudication.

As stated in Note 1(a), the Directors are unable to state that the financial report is in accordance with all the requirements of the *Corporations Act 2001* and the Australian Accounting Standards.

*Conclusion*

Based on our review, which is not an audit, and because of the existence of the limitation on the scope of our work, as described in the Basis for Disclaimer of Auditor's Review Opinion paragraph noted above, and the effects of such adjustments, if any, as might have been determined to be necessary had the limitation not existed, we are unable to, and do not express, an opinion as to whether the financial report of Matrix Metals Limited is in accordance with the *Corporations Act 2001*, including:

- (i) giving a true and fair view of the consolidated entity's financial position as at 31 December 2008 and of its performance for the half-year ended on that date; and
- (ii) complying with Accounting Standard AASB 134 Interim Financial Reporting and Corporations Regulations 2001.
