Nufarm confirms appointment of group treasurer

Nufarm Limited today announced the appointment of a new Group Treasurer.

Nathan Morrison – who joins the company from PwC - will commence in this new senior finance position (reporting to Chief Financial Officer, Kevin Martin) in late March. Nathan has extensive experience in areas such as debt funding and financial risk management, capital structure, and domestic and international capital markets. He previously held senior treasury roles with companies including Qantas Airways Limited, Bank One Australia and Spotless group Limited.

Nufarm's Managing Director, Doug Rathbone, said the appointment is consistent with the company's commitment to strengthen its financial management. He said the position will have a focus on areas including cash flow management; foreign exchange; working capital and debt positions.
