**SARCO Present at the Global MINE Show in Sydney Hilton 4-5 July**

We would like to remind our shareholders and the market that Sino Australian Resources Co., Ltd (“SARCO”) is hosting an information stand at the Global Mining Investors and Explorers Show in Sydney at the Hilton Hotel for the next two days. SARCO will make a formal presentation at 11am tomorrow 5 July.

Please join our staff from SARCO, Ord River Resources Limited (“ORD”) and China Nonferrous Metal Industry’s Foreign Engineering and Construction Co., Ltd (“NFC”) at the stand.

Global MINE Show gives SARCO an excellent opportunity to talk to investors directly about its planned development of a \$600million alumina refinery operation in Laos and its intention to list on the ASX.
