Dear Kim-Ly

RP Data Limited (ACN 087 759 171)
Application for Suspension Pursuant to Listing Rule 17.2

RP Data Limited (**RP Data**) requests that ASX suspend its listed securities from quotation effective from the close of trading of Monday, 2 May 2011 pursuant to ASX Listing Rule 17.2.

The suspension is required as a result of the scheme of arrangement between RP Data and its shareholders which was approved at a scheme meeting on 20 April 2011 and by the Federal Court of Australia on 28 April 2011. A sealed copy of the orders made by the Federal Court of Australia was lodged with the Australian Securities and Investments Commission on 29 April 2011.

RP Data requests that its listed securities be suspended until RP Data applies for termination of the official quotation of its listed securities, which is expected to be submitted to ASX on or around 13 May 2011.

RP Data is not aware of any reason why its listed securities should not be suspended.

Yours sincerely

Jonathan Kenny
Company Secretary
