

Successful issue of USD 1 billion global benchmark bond

Swedish Export Credit Corporation has issued a USD 1 billion five year benchmark bond. The issue was made in cooperation with Barclays, Bank of America Merrill Lynch and Morgan Stanley.

- We have access to all important capital markets. This issue proves that SEK is considered a stable and reliable institution in the international capital markets, says Per Åkerlind, COO of SEK.

The bond was received very well and was subscribed by a large number of investors from all over the world.
