About Site Group International

Site Group International (ASX:SIT) accredited and non-accredited training programs are specifically tailored to employer needs. Vocational training is delivered through high quality facilities in the Philippines (Clark Education City) and in Australia (Site Skills Group and Site Academy).

Site assesses, up-skills and trains industry experienced candidates in the mining & processing, oil & gas, construction, camp services, hospitality and logistic sectors before placing them with the appropriate employer groups. Some qualifications able to be delivered include; welding and boiler making, heavy diesel fitters, auto-mechanical, riggers and drillers.

Site Group International also delivers Workforce planning solutions through Site WorkReady - the workforce planning and recruitment solutions division of the Site Group of companies.

The strategic location of Clark Education City at Clark Freeport Zone in the Philippines allows the company to deliver Australian standard training in a low cost controlled environment. All training is delivered with customised English language and cultural sensitivity training as well as OHS and WHS to ensure all graduates are work ready when and where they enter employment. This creates an attractive pathway to meaningful employment in countries experiencing skill shortages such as Australia, PNG, West Africa and the Middle East.

In addition to its international training facilities, Site remains focussed on the operation and expansion of its Australian training facilities. Site is expanding in its key target markets of Queensland and Western Australia where there is significant opportunity to service large mining and energy projects.

Site Group International is an emerging Australian company with a strategic business model run by an experienced board and management team.
