- 6 Purpose of the issue  
(If issued as consideration for the acquisition of assets, clearly identify those assets)

The funds raised by the Rights Issue will be used to progress the Company's development of the following projects:

**(1) Victoria Desert Project**

In the southern part of the project, closer spaced infill surface sampling of previous gold and base metal anomalies delineated from previous sampling on an 800 m by 100 m grid with the aim of identifying drill targets in the vicinity of those previous anomalies.

In the northern part of the project two untested gold targets associated with north west trending structures identified from previous aeromagnetic surveys. \$250,000.00

**(2) Horseshoe Project**

Sampling programme targeting north west striking structurally controlled gold mineralisation in order to identify targets for a future drilling programme. \$150,000.00

**(3) Redmond Project**

Sourcing historical maps and records and detailed open file research to determine the exact location of the previously reported Blue Gum gold prospect and then, using modern day exploration techniques including drill testing, determining the gold and base metal potential of the project. \$120,000.00

**(4) Gunnado Project**

Detailed open file research of all data and 2 previous completed diamond drill cores with a view to utilising that data and cores for possible down hole geophysical work with the aim of detecting any deep conductors and possible gold and base metals mineralisation. \$100,000.00

**(5) Working capital purposes \$314,116.83; and**

**(6) To meet the costs of the Rights Issue \$37,475.97.**

**TOTAL \$971,592.80**

**Quotation agreement**

1 +Quotation of our additional +securities is in ASX's absolute discretion. ASX may quote the +securities on any conditions it decides.

2 We warrant the following to ASX.

- The issue of the +securities to be quoted complies with the law and is not for an illegal purpose.
- There is no reason why those +securities should not be granted +quotation.
- An offer of the +securities for sale within 12 months after their issue will not require disclosure under section 707(3) or section 1012C(6) of the Corporations Act.

Note: An entity may need to obtain appropriate warranties from subscribers for the securities in order to be able to give this warranty

- Section 724 or section 1016E of the Corporations Act does not apply to any applications received by us in relation to any +securities to be quoted and that no-one has any right to return any +securities to be quoted under sections 737, 738 or 1016F of the Corporations Act at the time that we request that the +securities be quoted.
- If we are a trust, we warrant that no person has the right to return the +securities to be quoted under section 1019B of the Corporations Act at the time that we request that the +securities be quoted.

3 We will indemnify ASX to the fullest extent permitted by law in respect of any claim, action or expense arising from or connected with any breach of the warranties in this agreement.

4 We give ASX the information and documents required by this form. If any information or document not available now, will give it to ASX before +quotation of the +securities begins. We acknowledge that ASX is relying on the information and documents. We warrant that they are (will be) true and complete.
