About BigAir Group Limited

BigAir owns and operates Australia's largest metropolitan fixed wireless broadband network. The Australian business market comprises nearly one million businesses and BigAir's network provides near blanket coverage across its seven largest cities Sydney, Melbourne, Brisbane, Perth, Adelaide, Newcastle and the Gold Coast. BigAir sells broadband and data services primarily through its channel partners who include ISPs, Carriers, and other IT service companies who have existing relationships with business customers in order to deliver BigAir's high speed, cost effective fixed wireless broadband solutions.
