WMRC DiCOM Expansion Project - Update

AnaeCo is pleased to advise the following in relation to the Western Metropolitan Regional Council ("WMRC") DiCOM Expansion Project, at Shenton Park, in Western Australia:

- Construction is well advanced with pre-commissioning already underway in a number of areas,
- The AnaeCo Commissioning Team has been mobilised to site to commence commissioning of the DiCOM™ System,
- Introduction of waste material to the plant is scheduled to occur during Q4 2012.

AnaeCo Managing Director & CEO Patrick Kedemos said, "I congratulate the staff of AnaeCo and our JV construction partner Monadelphous Group Limited, who have been working tirelessly to bring the project to this point. The mobilisation of the AnaeCo Commissioning Team has been a key milestone we have been aiming for on this project. We are now excited about the next key milestone which is to process waste material by November."

ENDS
