Media Release

AUSTAR Minority Shareholders Approve FOXTEL Transaction

AUSTAR United Communications (ASX: AUN) (AUSTAR) today received overwhelming shareholder approval to a number of resolutions relating to FOXTEL Management Pty Limited's (FOXTEL) proposed acquisition of AUSTAR. The results of the Shareholder Meetings are attached to this release.

On July 11 AUSTAR announced that it had entered into definitive transactions agreements with Liberty Global, Inc (LGI) and FOXTEL, under which FOXTEL would acquire AUSTAR through a series of transactions, including a Scheme of Arrangement (the Scheme). The Scheme was subject to a number of conditions, including minority shareholder approval, which has today been received, with strong support from minority shareholders.

The Scheme is still subject to a number of conditions, including approval from the Australian Competition and Consumer Commission (ACCC), which has not yet been received. While AUSTAR remains optimistic of a positive outcome, notwithstanding today's shareholder approvals, AUSTAR makes no representations that ACCC approval will either be granted or be granted in time to enable the Scheme to proceed.

The Second Court Hearing, which is scheduled for 13 April 2012, will not take place on that date unless ACCC approval is granted in sufficient time to enable funding draw down, the establishment of the escrow account and other formal matters prior to that hearing.

An indicative timetable is attached to this release.

If shareholders have questions in relation to the Scheme they may call the AUSTAR Shareholder Information Line 1300 706 158 (within Australia) or on +61 3 9946 4459 (outside Australia) Monday to Friday between 9:00am and 5:00pm (Sydney time) or contact their legal, financial, taxation or other professional adviser. Information is also available through AUSTAR's website, www.austarunited.com.au.
