In accordance with section 249L of the Corporations Act, members are advised that:

- each member has a right to appoint a proxy;
- the proxy need not be a member of the Company; and
- a member who is entitled to cast 2 or more votes may appoint 2 proxies and may specify the proportion or number of votes each proxy is appointed to exercise. If the member appoints 2 proxies and the appointment does not specify the proportion or number of the member's votes, then in accordance with section 249X(3) of the Corporations Act, each proxy may exercise one-half of the votes.

New sections 250BB and 250BC of the Corporations Act came into effect on 1 August 2011 and apply to voting by proxy on or after that date. Shareholders and their proxies should be aware of these changes to the Corporations Act, as they will apply to this General Meeting. Broadly, the changes mean that:

Further details on these changes is set out below.

#### ***Proxy vote if appointment specifies way to vote***

Section 250BB(1) of the Corporations Act provides that an appointment of a proxy may specify the way the proxy is to vote on a particular resolution and, **if it does:**

- the proxy need not vote on a show of hands, but if the proxy does so, the proxy must vote that way (ie. as directed); and
- if the proxy has 2 or more appointments that specify different ways to vote on the resolution – the proxy must not vote on a show of hands; and
- if the proxy is the chair of the meeting at which the resolution is voted on – the proxy must vote on a poll, and must vote that way (i.e. as directed); and
- if the proxy is not the chair – the proxy need not vote on the poll, but if the proxy does so, the proxy must vote that way (i.e. as directed).

#### ***Transfer of non-chair proxy to chair in certain circumstances***

Section 250BC of the Corporations Act provides that, if:

- an appointment of a proxy specifies the way the proxy is to vote on a particular resolution at a meeting of the Company's members; and
- the appointed proxy is not the chair of the meeting; and
- at the meeting, a poll is duly demanded on the resolution; and
- either of the following applies:
  - the proxy is not recorded as attending the meeting;
  - the proxy does not vote on the resolution,

chair of the meeting is taken, before voting on the resolution closes, to have been appointed as the proxy for the purposes of voting on the resolution at the meeting.

<b>1. Resolution 1 – Approval for Issue of Shares – Lakeview Properties</b>
---

### Background

On 10 July 2012 the Company announced that it had entered into an exclusive 90 day option (**Lakeview Option**) for a long term (45 year) lease at the Lakeview Mill and to acquire the historic Weber Mine, both in northern Idaho (**Lakeview Properties**).

The Lakeview Mill is ideally positioned for near term use by the Company's Conjecture Project which is only 3.5 kilometres away. The mill is permitted under US regulatory requirements and has processed ore from the Lakeview District on a regular basis over the last 10 years. The mill has a current capacity of 300 tonnes per day with the ability to be upgraded further (current Conjecture mine planning is for 100 tonnes per day). The proposed lease is an initial 15 year lease renewable for a further 2 periods of 15 years (**Lakeview Mill Lease**). The use of the mill is key in developing both the short and long term production plans for Conjecture.

In addition the Company has the option to acquire the patented and unpatented mining claims forming the historic Weber Mine (**Weber Mining Claims**). The Weber Mine is approximately 2.5 kilometres from the Conjecture Project in the Lakeview District with similar geology. The Weber Mine is historically an open pit mine and will assist with mine logistics in developing Conjecture and waste ore disposal.

Pursuant to the terms of the Lakeview Option, the following consideration is payable:

- (a) an option fee of US\$500,000 which the Company has paid;
- (b) the issue of 11,000,000 Shares to Shoshone Silver / Gold Mining Company (**Shoshone**) (or its nominee), of which 5,500,000 Shares will be subject to 12 months voluntary escrow;
- (c) payment of a US\$10 per ton toll milling charge on all ore processed from BMZ's projects, other than the Weber Mining Claims (**Toll Milling Fee**), and for every year after the first 10 years of the Lakeview Mill Lease (30 September 2022), the Company agrees to pay a minimum of US\$250,000 for the Toll Milling Fees. Where the annual Toll Milling Fees are less than US\$250,000, then the Company will make an additional payment to ensure the minimum amount is met.

Pursuant to the Lakeview Option, the Company shall also have a pre-emptive right and the first right of refusal to acquire Shoshone's interest in any further patented and/or unpatented mining claims in the Lakeview Mining District or the Coeur d'Alene Mining District including the Idaho Lakeview Mine properties, Keep Cool Mine properties, Talacho Claim Group properties, Auxer Mine properties and Silver Strand Mine properties. Shoshone will also have a right to use any excess capacity at the Lakeview Mill to process ore from its other projects on commercial terms.

The Company advises that Mr John Ryan is also a director of Shoshone, being one of 4 directors, and Shoshone is not an entity controlled by Mr Ryan. As such Shoshone is not considered to be a related party to the Company.

The Company continues to undertake further due diligence on both the Lakeview Mill and the Weber Mine and intends to make a decision whether to exercise the Lakeview Option in early September 2012. For avoidance of doubt, the issue of Shares pursuant to Resolution 1 is subject to the Company electing to exercise the Lakeview Option.

ASX Listing Rule 7.1 requires that a listed company to obtain shareholder approval prior to the issue of shares, or securities convertible into shares, representing more than 15% of the issued capital of that company in any 12 month period.

Resolution 1 seeks Shareholder approval for the allotment and issue of securities as set out below.

The effect of Resolution 1 will be to allow the Directors to issue the Shares during the period of 3 months after the General Meeting (or a longer period, if allowed by ASX), without using the Company's 15% annual placement capacity.
