Notes

1. The monthly report provides a basis for informing the market how the entity's activities have been financed for the past month and the effect on its cash position. An entity wanting to disclose additional information is encouraged to do so, in a note or notes attached to this report.
2. The definitions in, and provisions of, *AASB 107: Statement of Cash Flows* apply to this report except for any additional disclosure requirements requested by AASB 107 that are not already itemised in this report.
3. **Accounting Standards.** ASX will accept, for example, the use of International Financial Reporting Standards for foreign entities. If the standards used do not address a topic, the Australian standard on that topic (if any) must be complied with.

+ See chapter 19 for defined terms.

Commentary

Operation

The Company has had a positive outcome with its Asian Business Division, and has recently announced to the market news of its first business transaction. The outlook for the Asian Business Division continues to be positive.

Funding

In May 2012, the Company obtained a short term loan for \$250,000. The proceeds of the loan will be used for working capital and allow the Company to take advantage of commercial opportunities through its Asian Business Division.
