**CPT Global receives 2012 Governor of Victoria Export Award for ICT Services**

CPT Global Limited was awarded the winner of the ‘2012 Information and Communication Technology Export Award’ which was presented by The Hon. Chief Justice, Marilyn Warren, AC QC, Lt Governor of Victoria, held at Government House on Tuesday 16<sup>th</sup> October. The Governor of Victoria Export Awards is one of the most prestigious business awards in Victoria and rewards Victoria’s most successful and innovative exporters with the stamp of international success.

This is the third time CPT has won this award which recognises the achievements of export-oriented businesses in 12 different categories and qualifies CPT to be a finalist in the Australian National Export Awards to be decided on 27<sup>th</sup> November 2012.

Managing Director, Gerry Tuddenham, was delighted in winning the award, stating “This is continued recognition of CPT’s global business strategy to continue investing in export markets even through this challenging economic period. CPT’s value proposition has now been recognised in many countries. Our overseas client list now boasts over 90 of the Fortune 500 and blue chip companies which will continue to grow in significance to our overseas operations. The quality of our consultant professionals and management team has been instrumental in the successful execution of our business strategy”.

More than one third of CPT’s global revenue now comes from overseas markets. This will continue to grow in the near term with continued expansion into the Asian and South American markets
