

## ASX Announcement CPT Global Limited (CGO)

Revenue and Profit Guidance for Year Ended 30 June 2012

As a result of the continuing uncertain financial situation in Europe, two major contracts which were expected to close in the fourth quarter have been delayed and are now expected to be signed in the 2012/13 financial year. This has resulted in a loss for the second half of the 2012 financial year. We now anticipate the achievement of a modest operating profit for the full 2012 financial year. The full year financial results will be announced on or about August 27<sup>th</sup>, 2012.
