## HIGH COURT APPEAL DATE UPDATE

Chameleon Mining NL (to be renamed Kupang Resources Ltd) (**Company**) provides this announcement by way of update of the Company's ongoing proceedings in relation to International Litigation Partners Pte Limited (**ILP**).

As announced on 28 October 2011, ILP was granted special leave to appeal to the High Court of Australia. The special leave was granted on the condition that ILP (a Singaporean registered company) provide \$850,000 as security in this jurisdiction.

This payment amount represents part of the amount ILP currently owes the Company as a result of the NSW Supreme Court of Appeal decision in the Company's favour.

On 28 March 2012, the Company announced that the appeal had been listed for hearing in the High Court on 19 June 2012.

The Company has now been advised by the ACT High Court Registry that the appeal will be heard in the High Court on 20 June 2012.

As previously announced, in the event ILP is ultimately successful in the appeal then the Company would incur additional costs being the funding fee sought by ILP (circa \$9,000,000).
