Quotation agreement

- 1 +Quotation of our additional +securities is in ASX's absolute discretion. ASX may quote the +securities on any conditions it decides.
- 2 We warrant the following to ASX.
 - The issue of the +securities to be quoted complies with the law and is not for an illegal purpose.
 - There is no reason why those +securities should not be granted +quotation.
 - An offer of the +securities for sale within 12 months after their issue will not require disclosure under section 707(3) or section 1012C(6) of the Corporations Act.

Note: An entity may need to obtain appropriate warranties from subscribers for the securities in order to be able to give this warranty
 - Section 724 or section 1016E of the Corporations Act does not apply to any applications received by us in relation to any +securities to be quoted and that no-one has any right to return any +securities to be quoted under sections 737, 738 or 1016F of the Corporations Act at the time that we request that the +securities be quoted.
 - If we are a trust, we warrant that no person has the right to return the +securities to be quoted under section 1019B of the Corporations Act at the time that we request that the +securities be quoted.
- 3 We will indemnify ASX to the fullest extent permitted by law in respect of any claim, action or expense arising from or connected with any breach of the warranties in this agreement.
- 4 We give ASX the information and documents required by this form. If any information or document not available now, will give it to ASX before +quotation of the +securities begins. We acknowledge that ASX is relying on the information and documents. We warrant that they are (will be) true and complete.

Appendix 3B – Annexure 1

Calculation of placement capacity under rule 7.1 and rule 7.1A for ⁺eligible entities

Introduced 01/08/12

Part 1

Rule 7.1 – Issues exceeding 15% of capital	
Step 1: Calculate “A”, the base figure from which the placement capacity is calculated	
Insert number of fully paid ordinary securities on issue 12 months before date of issue or agreement to issue	
Add the following: • Number of fully paid ordinary securities issued in that 12 month period under an exception in rule 7.2 • Number of fully paid ordinary securities issued in that 12 month period with shareholder approval • Number of partly paid ordinary securities that became fully paid in that 12 month period Note: • <i>Include only ordinary securities here – other classes of equity securities cannot be added</i> • <i>Include here (if applicable) the securities the subject of the Appendix 3B to which this form is annexed</i> • <i>It may be useful to set out issues of securities on different dates as separate line items</i>	
Subtract the number of fully paid ordinary securities cancelled during that 12 month period	
“A”	

+ See chapter 19 for defined terms.

Step 2: Calculate 15% of “A”	
“B”	0.15 <i>[Note: this value cannot be changed]</i>
Multiply “A” by 0.15	
Step 3: Calculate “C”, the amount of placement capacity under rule 7.1 that has already been used	
Insert number of equity securities issued or agreed to be issued in that 12 month period <i>not counting</i> those issued: • Under an exception in rule 7.2 • Under rule 7.1A • With security holder approval under rule 7.1 or rule 7.4 Note: • <i>This applies to equity securities, unless specifically excluded – not just ordinary securities</i> • <i>Include here (if applicable) the securities the subject of the Appendix 3B to which this form is annexed</i> • <i>It may be useful to set out issues of securities on different dates as separate line items</i>	
“C”	
Step 4: Subtract “C” from [“A” x “B”] to calculate remaining placement capacity under rule 7.1	
“A” x 0.15 <i>Note: number must be same as shown in Step 2</i>	
Subtract “C” <i>Note: number must be same as shown in Step 3</i>	
Total [“A” x 0.15] – “C”	<i>[Note: this is the remaining placement capacity under rule 7.1]</i>

+ See chapter 19 for defined terms.

Part 2

Rule 7.1A – Additional placement capacity for eligible entities	
Step 1: Calculate “A”, the base figure from which the placement capacity is calculated	
“A” <i>Note: number must be same as shown in Step 1 of Part 1</i>	
Step 2: Calculate 10% of “A”	
“D”	0.10 <i>Note: this value cannot be changed</i>
Multiply “A” by 0.10	
Step 3: Calculate “E”, the amount of placement capacity under rule 7.1A that has already been used	
<i>Insert</i> number of equity securities issued or agreed to be issued in that 12 month period under rule 7.1A <i>Notes:</i> • <i>This applies to equity securities – not just ordinary securities</i> • <i>Include here – if applicable – the securities the subject of the Appendix 3B to which this form is annexed</i> • <i>Do not include equity securities issued under rule 7.1 (they must be dealt with in Part 1), or for which specific security holder approval has been obtained</i> • <i>It may be useful to set out issues of securities on different dates as separate line items</i>	
“E”	

+ See chapter 19 for defined terms.

Step 4: Subtract “E” from [“A” x “D”] to calculate remaining placement capacity under rule 7.1A	
“A” x 0.10 <i>Note: number must be same as shown in Step 2</i>	
Subtract “E” <i>Note: number must be same as shown in Step 3</i>	
Total [“A” x 0.10] – “E”	<i>Note: this is the remaining placement capacity under rule 7.1A</i>

Annexure 2- Rights Attaching to 30/11/15 \$0.04 Employee Options

1. The Employee Options are Options to subscribe for ordinary shares (**Shares**) in the capital of the Company.
 2. The exercise price for each Employee Option is \$0.04 per Option (**Exercise Price**).
 3. The Employee Options of the respective Employees expire on the earlier of:
 - a) 30 November 2015;
 - b) The date which is 30 days (or such later date agreed to by the Board) after the respective employee ceases to be employed by the Company; and
 - c) if the Employee is dismissed for misconduct (determined by the Board in their absolute discretion), the date on which the Employee is dismissed.
- (Expiry Date).**
4. The Employee Options are transferable in whole or in part.
 5. The Employee Options may be exercised wholly or in part by delivering a duly completed form of notice of exercise together with a cheque for the Exercise Price per Employee Option to the Company at any time on or before the Expiry Date.
 6. Upon the valid exercise of the Employee Options and payment of the Exercise Price, the Company will issue Shares ranking pari passu with the then issued Shares.
 7. Holders of Employee Options do not have any right to participate in new issues of securities in the Company made to shareholders generally. The Company will, where required pursuant to the ASX Listing Rules, provide Option holders with notice prior to the books record date (to determine entitlements to any new issue of securities made to shareholders generally) to exercise the Employee Options, in accordance with the requirements of the ASX Listing Rules.
 8. The holder of Employee Options does not participate in any dividends unless the Employee Options are exercised and the resultant Shares of the Company are issued prior to the record date to determine entitlements to the dividend.
 9. The Company does not intend to apply for listing of the Employee Options on the ASX.
 10. Subject to the Company being listed on the ASX, the Company shall apply for listing on the ASX of the resultant Shares of the Company issued upon exercise of any Employee Options.
 11. If there is a pro rata issue (except a bonus issue), the exercise price of a Employee Options may be reduced according to the following formula:

$$O' = O - \frac{E[P - (S + D)]}{N + 1}$$

Where:

O' = the new exercise price of the Employee Options.

+ See chapter 19 for defined terms.

O = the old exercise price of the Employee Options.

E = the number of underlying Shares into which one Option is exercisable.

P = if the Company is listed on the ASX, the average market price per Share (weighted by reference to volume) of the underlying Shares during the five (5) trading days ending on the day before the ex rights date or ex entitlements date; or

if the Company is not listed on the ASX, the market value determined by the auditor of the Company.

S = the subscription price for a Share under the pro rata issue.

D = the dividend due but not yet paid on existing underlying Shares (except those to be issued under the pro rata issue).

N = the number of Shares with rights or entitlements that must be held to receive a right to one new Share.

12. If there is a bonus issue to the holders of Shares in the Company, the number of Shares over which the Employee Options is exercisable may be increased by the number of Shares which the Option holder would have received if the Employee Options had been exercised before the record date for the bonus issue.
13. The terms of the Employee Options shall only be changed if holders (whose votes are not to be disregarded) of Shares in the Company approve of such a change. However, the terms of the Employee Options shall not be changed to reduce the Exercise Price, increase the number of Employee Options or change any period for exercise of the Employee Options.
14. In the event of any reconstruction (including consolidation, subdivision, reduction or return) of the issued capital of the Company:
 - a) the number of Employee Options, the Exercise Price, or both will be reconstructed (as appropriate) in a manner consistent with the ASX Listing Rules as applicable at the time of reconstruction, but with the intention that such reconstruction will not result in any benefits being conferred on the holders of the Employee Options which are not conferred on shareholders; and
 - b) subject to the provisions with respect to rounding of entitlements as sanctioned by a meeting of shareholders approving a reconstruction of capital, in all other respects the terms for the exercise of the Employee Options will remain unchanged.

+ See chapter 19 for defined terms.
