## **Minemakers Limited – Variation to Orders**

The Panel made a declaration and final orders on 25 June 2012 in response to an application dated 5 June 2012 by Minemakers Limited in relation to its affairs (see [TP12/36](#)).

Minemakers sought an order that its costs in relation to the proceedings be paid by UCL Limited. The Panel indicated to the parties that it was not minded to make an order for costs, but would be prepared to revisit this issue depending on:

- how promptly UCL provided a draft replacement bidder's statement for consideration by the Panel and parties
- whether UCL satisfactorily addressed the information deficiencies and
- any other relevant considerations not already put to the Panel in the application, submissions and rebuttals.

The replacement bidder's statement needed a number of rounds of amendments before the Panel was sufficiently satisfied with the disclosure. It took considerable time to achieve this. The Panel decided to revisit the question of costs and invite further submissions from the parties.

The Panel is satisfied that Minemakers was put to additional expense, beyond what might have been required to make a Panel application and prosecute it, by the multiple versions of the replacement bidder's statement that needed to be reviewed before the disclosure was sufficiently satisfactory. Accordingly, the Panel has varied the final orders to add a costs order for part of the costs involved in the proceedings.

The variation to the orders is Annexure A.

The sitting Panel was Andrew Low, Jane Sheridan and Heather Zampatti (President).
