SALE OF ARUMA RESOURCES SHARES

The Directors of Nexus Minerals Limited (Nexus Minerals or the Company) (ASX:NXM) advise that the Company has today sold 35 million shares in Aruma Resources Limited (ASX:AAJ) to clients of BBY Limited to raise \$1.575 million. Nexus Minerals retains a holding of 5 million shares in Aruma Resources which represents approximately 6.3% of that company.

The sale of the shares provides the Company with additional capital in a difficult market to allow it to continue to progress its strategy to acquire highly prospective and scalable gold and base metal projects in under-explored regions in eastern Africa, whilst retaining a substantial stake in Aruma Resources.
