Where more than one proxy is appointed, each proxy must be appointed to represent a specified proportion of the Shareholder's voting rights. If a Shareholder appoints two proxies and does not specify the proportion of the Shareholder's votes each proxy may exercise, each proxy may exercise half of the Shareholder's votes.

A proxy may, but need not be, a Shareholder of the Company.

A Shareholder may specify the way in which the proxy is to vote on the resolution or may allow the proxy to vote at its discretion. However, if a member of the Company's KMP (which includes the Directors) or one of their Closely Related Parties is appointed your proxy, they will not be able to vote your proxy on Resolutions 8 to 13 (inclusive) unless you direct them how to vote, or the proxy is the person chairing the meeting and you have specifically authorised them (by checking the required box on the proxy form) to exercise the proxy even though the resolution is directly or indirectly connected with the remuneration of KMP of the Company.

Explanatory Statement

This Explanatory Statement has been prepared for the Shareholders of Prosperity Resources Ltd ACN 103 280 235 (Company) in connection with the business to be conducted at the Annual General Meeting to be held at the State Tennis Centre, Victoria Park Drive, Burswood, Perth, Western Australia on 30 November 2012 commencing at 9:30am (WST).

The Directors recommend that Shareholders read this Explanatory Statement in full before making any decision in relation to the Resolutions.

Terms used in this Explanatory Statement will, unless the context otherwise requires, have the same meaning given to them in the glossary as contained in this Explanatory Statement.

Financial statements and reports

In accordance with the Constitution, the business of the Annual General Meeting will include receipt and consideration of the annual financial report of the Company for the financial year ended 30 June 2012 together with the declaration of the directors, the directors' report, the remuneration report and the auditor's report.

In accordance with amendments to the Corporations Act the Company is no longer required to provide a hard copy of the Company's annual financial report to Shareholders unless a Shareholder has specifically elected to receive a printed copy.

Whilst the Company will not provide a hard copy of the Company's annual financial report unless specifically requested to do so, Shareholders may view the Company's annual financial report on its website at www.prosperity.net.au.

Resolution 1 – Adoption of Remuneration Report

The Corporations Act requires that at a listed company's annual general meeting, a Resolution that the remuneration report be adopted must be put to the Shareholders. However, such a Resolution is advisory only and does not bind the Directors or the Company.

The remuneration report sets out the Company's remuneration arrangements for the Directors and senior management of the Company. The remuneration report is part of the Directors' report contained in the annual financial report of the Company for the financial year ending 30 June 2012.

A reasonable opportunity will be provided for discussion of the remuneration report at the Annual General Meeting.

Voting Consequences

If at least 25% of the votes cast on this Resolution are voted against adoption of the Remuneration Report at the Annual General Meeting, and then again at the Company's 2013 annual general meeting, the Company will be required to put to Shareholders a resolution proposing the calling of a general meeting to consider the appointment of directors of the Company ("Spill Resolution").

If more than 50% of Shareholders vote in favour of the Spill Resolution, the Company must convene the general meeting ("Spill Meeting") within 90 days of the second Annual General Meeting. All of the Directors who were in office when the Company's 2013 Director's Report was approved, other than the Managing Director of the Company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting. Following the Spill Meeting those persons whose election or re-election as Directors is approved will be the Directors of the Company.

At the Company's previous Annual General Meeting the votes cast against the Remuneration Report considered at that Annual General Meeting were less than 25%. Accordingly, the Spill Resolution is not a relevant consideration for this Annual General Meeting.

Proxy Restrictions

Shareholders appointing a proxy for this Resolution should note the following:

If you appoint a member of the Key Management Personnel as your proxy

If you elect to appoint a member of Key Management Personnel whose remuneration details are included in the Remuneration Report, or a Closely Related Party of that member, ***you must direct the proxy how they are to vote***. Undirected proxies granted to those persons will not be included in any vote on this Resolution.

If you appoint the Chair as your proxy

If you elect to appoint the Chair as your proxy, you ***do not*** need to direct the Chair how you wish them to exercise your vote on this Resolution. However, if you do not direct the Chair how to vote, ***you must tick the acknowledgement on the proxy form to acknowledge that the Chair may exercise their discretion in exercising your proxy even though this Resolution is connected directly or indirectly with the remuneration of Key Management Personnel***.

Resolution 2 – Re-election of Director

Clause 11.3 of the Constitution requires that if the Company has three or more Directors, one third (or the number nearest one-third) of those Directors must retire at each annual general meeting, provided always that no Director (except a Managing Director) shall hold office for a period in excess of 3 years, or until the third annual general meeting following his or her appointment, whichever is the longer, without submitting himself or herself for re-election.

4. The Shares will be issued on the same terms as, and rank equally with, the existing issued Shares in the Company and application will be made for their quotation on ASX.
5. No funds will be raised by the issue of the Shares the subject of this resolution although the Company's liability to Mr Latief will be satisfied by the issue.
6. The Company intends to allot the Shares within 5 days of the date of this Annual General Meeting.
7. The Company will disregard any votes cast on this Resolution by a person who may participate in the issue and a person who might obtain a benefit, except a benefit solely in the capacity of a holder of ordinary securities if the resolution is passed, and any of their respective associates. However, the Company will not disregard the vote if it is cast by a person, as proxy for a person who is entitled to vote, in accordance with the directions on the proxy form or it is cast by the person chairing the meeting, as proxy for a person who is entitled to vote, in accordance with the directions on the proxy form to vote as the proxy directs.

Resolution 7 – Issue of a maximum of 60,000,000 Shares

Listing Rule 7.1 prohibits a company from issuing or agreeing to issue equity securities in any 12 month period which amount to more than 15% of its ordinary securities without the approval of holders of its ordinary securities.

Equity securities issued with the approval of holders of a company's ordinary securities in accordance with Listing Rule 7.1 are not then required to be included in the 15% limit imposed by Listing Rule 7.1.

The Directors are of the view that the Company should actively seek out opportunities for acquisition of prospective tenement holdings or other relevant assets and wish to be in a position to fund appropriate acquisitions and provide for sufficient working capital to develop the Company's projects. The Company therefore seeks approval, pursuant to Listing Rule 7.1, to issue up to 60 million Shares as consideration for such acquisitions or alternatively, to raise capital which can be used to fund acquisitions, develop the Company's projects or supplement working capital requirements.

If Shareholders approve this Resolution, the Directors will have the flexibility and discretion to issue up to 60 million Shares for these purposes, without being restricted by the 15% limit imposed by Listing Rule 7.1 and without having to suffer delay or additional expense involved in convening another Annual General Meeting to obtain any Shareholder approval that would otherwise be required under Listing Rule 7.1. The following information is provided in accordance with Listing Rule 7.3:

1. A maximum of 60,000,000 Shares are to be issued.
2. The Shares will be issued within 3 months of the date of this Annual General Meeting.
3. The issue price for the Shares (or, in the case of an issue to satisfy an acquisition by the Company, the deemed issue price of the Shares) will be not less than 80% of the volume-weighted average

Share price of all on-market trades of the Company's Shares on the ASX in the 5 ASX trading days immediately preceding the issue.

4. The names of the allottees of the Shares are not known at this time. The Shares will be issued to persons or entities identified by the Company and to which a disclosure document is not required to be provided by virtue of Part 6D.2 of the Corporations Act 2001. No related parties (within the meaning of the Corporations Act) will be allottees.
5. The Shares will be issued on the same terms as, and rank equally with, the existing issued Shares and application will be made for their quotation on ASX.
6. The purpose of the proposed issue is to raise additional working capital for the Company and/or to satisfy the consideration for acquisitions by the Company.
7. The Company will allot the Shares the subject of this resolution progressively throughout the 3 month period.
8. The Company will disregard any votes cast on this Resolution by a person who may participate in the issue and a person who might obtain a benefit, except a benefit solely in the capacity of a holder of ordinary securities if the resolution is passed, and any of their respective associates. However, the Company will not disregard a vote if it is cast by a person as a proxy for a person who is entitled to vote in accordance with the directions on the Proxy Form or it is cast by the person chairing the meeting as proxy for a person who is entitled to vote, in accordance with a direction on the Proxy Form to vote as the proxy directs.

Resolution 8 – Issue of Shares to a maximum of 10% of issued capital

Background

Listing Rule 7.1A allows an 'eligible entity' to issue up to 10% of its issued capital ("Additional Placement Capital") in the 12 month period following Shareholder approval (if granted). The Company is an eligible entity as it is not included in the S&P/ASX300 Index and has a market capitalisation of less than \$300,000,000. The Company's market capitalisation is currently \$10,000,000.

The Additional Placement Capital must be an existing class of security currently quoted on the ASX, that is fully paid ordinary shares. Shares issued with approval under ASX Listing Rule 7.1A may be issued at any time during the 12 month period from the date of this resolution.

This Resolution must take the form of a special resolution which requires at least 75% of the votes that may be cast by members who are entitled to vote, to be cast in favour of the resolution. This includes voting via proxies.

Formula for calculating 10% Placement Facility

Listing rule 7.1A.2 provides that an eligible entity which has obtained Shareholder approval at an Annual General Meeting may issue or agree to issue, during the 12 months period after the date of the Annual General Meeting, a number of Equity Securities calculated in accordance with the following formula:

(A x D) - E

- A** is the number of share on issue 12 months before the date of the issue or agreement:
- a) plus the number of fully paid shares issued in the 12 months under an exception in ASX Listing Rule 7.2;
 - b) plus the number of partly paid shares that became fully paid in the 12 months;
 - c) plus the number of fully paid shares issued in the 12 months with approval of holders of shares under Listing Rules 7.1 and 7.4;
 - d) less the number of fully paid shares cancelled in the 12 months.
- D** is 10%

Prosperity Resources Ltd

Notice of Annual General Meeting 2012

E is the number of Equity Securities issued or agreed to be issued under Listing Rule 7.1A.2 in the 12 months before the date of the issue or agreement to issue that are not issued with the approval of shareholders under Listing Rules 7.1 or 7.4.

Shareholders are advised that it is a condition of approval under Listing Rule 7.1A that the issue price for the Additional Placement Capital must be not less than 75% of the volume-weighted average share price calculated over the 15 trading days immediately before:

- a) the date on which the price at which the Additional Placement Capital is agreed or issued; or
- b) if the securities are not issued within 5 trading days of the date referred to in paragraph (i) the date on which the securities are issued.

("Maximum Discount")

Notice requirements for approval under Listing Rule 7.1A

The following information is provided in accordance with Listing Rule 7.3A:

1. The Additional Placement Capital will be issued at a price not less than the Maximum Discount.
2. Should all of the Additional Placement Capital be issued during the 12 month period, this will have a dilutive effect on voting and economic interests of Shareholders. Examples of the possible dilutive effect that such issues may have on Shareholders is provided in the following table:

Variable A in Listing Rule 7.1A.2		Dilution		
		\$0.013 50% decrease in Issue price	\$0.026 Issue price	\$0.052 100% increase in Issue price
Current Variable A	10% Voting dilution	38,269,218 Shares	38,269,218 Shares	38,269,218 Shares
382,692,180 Shares	Funds raised	\$497,500	\$995,000	\$1,990,000
50% increase in current Variable A	10% Voting dilution	57,403,827 Shares	57,403,827 Shares	57,403,827 Shares
574,038,270 Shares	Funds raised	\$746,250	\$1,492,500	\$2,985,000
100% increase in current Variable A	10% Voting dilution	76,538,436 Shares	76,538,436 Shares	76,538,436 Shares
765,384,360 Shares	Funds raised	\$995,000	\$1,990,000	\$3,980,000

The table has been prepared based upon the following assumptions:

- a) The Company issues the maximum number of Equity Securities available under this Resolution.
- b) None of the 14,450,000 unlisted options that the Company currently has on issue are exercised into Shares before the date of the issue of the Equity Securities.
- c) The 10% voting dilution reflects the aggregate percentage dilution against the issued capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
- d) The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Facility based on that Shareholder's holding at the date of the Annual General Meeting.
- e) The table shows only the effect of issues of Equity Securities under Listing Rule 7.1A.
- f) The issue price is \$0.026, being the closing price on 3 October 2012.

3. The Additional Placement Capital will be issued within 12 months of this Annual General Meeting, or earlier date if Shareholders approve a significant transaction for the purposes of Listing Rules 11.1.2 or 11.2.
4. The Additional Placement Capital will be used to further develop the Company's Aceh Project and for associated working capital purposes.
5. The Company's current allocation policy in respect of the Additional Placement Capital is to make the Additional Placement Capital available to potential investors, and the Company expects to allocate the Additional Placement Capital to a mix of existing and new Shareholders. Allottees have not been determined and final determination as to the suitability of the allocation of the Additional Placement Capital will depend on the needs and requirements of the Company at the relevant time.
6. The Company will disregard any votes cast on this Resolution by a person who may participate in the issue and a person who might obtain a benefit, except a benefit solely in the capacity of a holder of ordinary securities if the resolution is passed, and any of their respective associates. However, the Company will not disregard a vote if it is cast by a person as a proxy for a person who is entitled to vote in accordance with the directions on the Proxy Form or it is cast by the person chairing the meeting as proxy for a person who is entitled to vote, in accordance with a direction on the Proxy Form to vote as the proxy directs.

Resolution 9 – Approval of Performance Rights Plan

The Company proposes to adopt a Performance Rights Plan (**PRP**) to govern, among other things, the issue and vesting conditions of performance rights for its personnel. The Company believes that the PRP will assist it to remunerate and provide ongoing incentives to directors, officers, employees [and consultants]. The Company will use the PRP to reward contributions to the Company's performance and strengthen the link between the creation of value for Shareholders and rewards for its personnel.

In summary, the rules of the PRP enable the Company to issue performance rights to eligible personnel subject to performance hurdles and vesting conditions determined by the Company. Each performance right entitles the holder, for nil cash consideration, to one fully paid ordinary share in the equity of the Company if the applicable performance hurdles and vesting conditions set for that holder are satisfied.

A summary of the key rules of the PRP is set out in Schedule 2. A copy of the full rules of the PRP is available on the Company's website (www.prosperity.net.au).

Approval is sought because, broadly, Listing Rule 7.1 prohibits the Company from issuing equity securities which, in aggregate, exceed 15% of the fully paid ordinary share capital of the Company in any 12-month period, unless the Company obtains Shareholder approval for the issue or an exemption applies.

Exception 9(b) in Listing Rule 7.2 provides that Listing Rule 7.1 does not apply to the issue of equity securities by the Company under an employee incentive scheme if the scheme has been approved by Shareholders within 3 years before the date of issue of the relevant securities.

The Company is seeking approval of the PRP for the purposes of Listing Rule 7.2 exception 9(b) so that the grant of Performance Rights under the PRP, and Shares issued on vesting of those Performance Rights, will not reduce the Company's 15% capacity under Listing Rule 7.1.

The Directors may participate in the PRP (subject to specific Shareholder approval) and are therefore excluded under the Listing Rules from voting on this resolution, along with any of their respective associates, (other than as proxy for shareholders that are entitled to vote).

The grant of any Performance Rights to a Director will require specific Shareholder approval under Listing Rule 10.14.

No Performance Rights have yet been issued under the PRP.

Resolution 10 – Issue of Shares to Mr Mo Munshi

Background

The Board has determined, subject to obtaining Shareholder approval, to allot and issue a total of 8,412,000 Shares to Mr Mo Munshi, or his nominee, on the terms and conditions set out below.

The 8,412,000 Shares are to be issued to Mr Munshi (or his nominee) in lieu of cash payment, as remuneration for his role as Chairman and Managing Director of the Company (“Remuneration Shares”).

The number of Remuneration Shares has been calculated as follows:

Quantity	From	To	Average of the monthly VWASP*	Notional value of Remuneration Shares
8,412,000	1-Oct-10	30-Sep-12	5.71 cents	\$480,325

* VWASP = Volume-weighted average share price

The Board considers the grant of the Remuneration Shares to Mr Munshi to be reasonable, given the necessity to attract the highest calibre of professionals to the Company whilst maintaining the Company’s cash reserves. The Board does not consider that there are any significant opportunity costs to the Company or benefits foregone by the Company in issuing the Remuneration Shares on the terms proposed.

Shareholder Approval

Section 208 of the Corporations Act provides that, if for a public company, or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must:

1. Obtain the approval the public company’s members in the manner set out in Sections 217 to 227 of the Corporations Act; and
2. Give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in Sections 210 to 216 of the Corporations Act.

In addition, Listing Rule 10.11 also requires that Shareholder approval be obtained where an entity issues, or agrees to issue, equity securities to a related party, or a person whose relationship with the entity or a related party is, in ASX’s opinion, such that approval should be obtained unless an exception in Listing Rule 10.12 applies.

It is the view of the Directors that the exceptions set out in Sections 210 to 216 of the Corporations Act and Listing Rule 10.12 do not apply in the current circumstances.

Accordingly, this Resolution seeks Shareholder approval as follows:

- (a) for the purposes of Listing Rule 10.11, for the issue of the Remuneration Shares; and
- (b) for the purposes of section 208 of the Corporations Act, for the issue of the Remuneration Shares, which constitutes the giving of a financial benefit, to Mr Munshi or his nominee.

5. The Remuneration Shares will be issued on the same terms as, and rank equally with, the existing issued Shares in the Company and application will be made for their quotation on ASX.
6. No funds will be raised by the issue of Remuneration Shares although the Company's liability to Mr Munshi in relation to his remuneration will be satisfied by the issue.

If approval is given under Listing Rule 10.11, approval is not required under Listing Rule 7.1, and the securities issued pursuant to this Resolution will not be included in the calculation of the Company's 15% annual placement capacity pursuant to Listing Rule 7.1.

Section 208 of the Corporations Act – Remuneration Shares

The following information, in addition to the information contained in this Explanatory Statement (including Schedules 3 and 4) is provided in accordance with Section 219 of the Corporations Act:

1. Mr Munshi's current remuneration package is set out in Schedule 4 to this Explanatory Statement.
2. The Remuneration Shares have been valued by the Board at 5.71 cents each based on the volume weighted average Share price from 1 October 2010 up to and including 30 September 2012. Based on this valuation, the total notional value of the Remuneration Shares is \$480,325.
3. Mr Munshi's direct or indirect interest in securities in the Company is set out in Schedule 4 to this Explanatory Statement.
4. Assuming no other Shares are issued, the maximum dilution that will be experienced by Shareholders as a result of issue to Mr Munshi of the Remuneration Shares is set out in Schedule 4 to this Explanatory Statement.
5. Mr Munshi declines to make a recommendation to Shareholders in relation to this Resolution due to his material personal interest in the outcome of the Resolution. The other Directors, who do not have a material interest in the outcome of this Resolution, recommend that Shareholders vote in favour of the Resolution for the reasons set out in this Explanatory Statement. The Board (other than Mr Munshi) is not aware of any other information that would be reasonably required by Shareholders to allow them to make a decision whether it is in the best interests of the Company to pass the Resolution.

Voting Exclusion Statement

The Company will disregard any votes cast on this Resolution by the Directors, any person that will receive the securities the subject of this Resolution, and any of their respective associates. However, the Company will not disregard a vote if it is cast by a person as a proxy for a person who is entitled to vote in accordance with the directions on the Proxy Form or it is cast by the person chairing the meeting as proxy for a person who is entitled to vote, in accordance with a direction on the Proxy Form to vote as the proxy decides.

Resolution 11 – Issue of Performance Rights to Mr Mo Munshi

Background

The Board has determined, subject to obtaining Shareholder approval, to grant a total of 5,000,000 Performance Rights to Mr Mo Munshi, or his nominee, on the terms and conditions set out below.

The primary purpose of the grant of Performance Rights to Mr Munshi is to provide a market linked incentive package in his capacity as a Chairman of the Company and for the future performance by him in his role. The Board (other than Mr Munshi) considered the extensive experience and reputation of Mr Munshi, the current market price of Performance Rights and current market practices when determining the number of Performance Rights to be issued to Mr Munshi.

Prosperity Resources Ltd

Notice of Annual General Meeting 2012

The Board does not consider that there are any significant opportunity costs to the Company or benefits foregone by the Company in issuing the Performance Rights on the terms proposed.

Shareholder Approval

Section 208 of the Corporations Act provides that, for a public company, or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must:

1. Obtain the approval the public company's members in the manner set out in Sections 217 to 227 of the Corporations Act; and
2. Give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in Sections 210 to 216 of the Corporations Act.

Further, ASX Listing Rule 10.14 requires that an entity must not permit a director or an associate of a director to acquire securities under an employee incentive scheme without the approval of holders of ordinary securities of the acquisition. If approval is obtained under LR 10.14, no further approval is required under Listing Rule 10.11.

The grant of Performance Rights to Mr Munshi, or his nominee, requires the Company to obtain Shareholder approval because the grant of Shares constitutes giving a financial benefit and as a Chairman, Mr Munshi is a related party of the Company.

It is the view of the Directors that the exceptions set out in Sections 210 to 216 of the Corporations Act do not apply in the current circumstances. Accordingly, Shareholder approval is sought for the grant of Shares to Mr Munshi or his nominee for the purposes of Listing Rule 10.14 and section 208 of the Corporations Act.

Listing Rule 10.14

The following information is provided for the purposes of Listing Rule 10.15:

1. The related party is Mr Munshi who is a related party by virtue of being a Director.
2. A maximum of 5,000,000 Performance Rights are to be issued, and the maximum number of Shares to be issued upon vesting of the Performance Rights is 5,000,000.
3. The Performance Rights will be issued for nil consideration. Further, the Shares to be issued upon vesting of the Performance Rights will be issued for nil consideration.
4. No persons have received any Performance Rights under the Plan to date;
5. All Directors are entitled to participate in the Plan;
6. The Performance Rights will be issued under the PRP, the subject of Resolution 9, and on the terms set out in Schedule 3 to this Explanatory Statement. Shares issued on vesting of the Performance Rights will be issued on the same terms as, and rank equally with, the existing issued Shares in the Company and application will be made for their quotation on ASX. If this Resolution is approved by Shareholders, but Resolution 9 is not approved, the Performance Rights will be granted to Mr Munshi in accordance with Listing Rule 10.11
7. There is no loan applicable to the grant of the Performance Rights or the issue of the Shares upon vesting of the Performance Rights;
8. The Performance Rights will be issued within 12 months of the date of this Annual General Meeting;

Section 208 of the Corporations Act

The following information, in addition to the information contained in this Explanatory Statement (including Schedules 3 and 4) is provided in accordance with Section 219 of the Corporations Act:

1. Mr Munshi's current remuneration package is set out in Schedule 4 to this Explanatory Statement.

2. The value of the Performance Rights is effectively the value of an underlying Share. Therefore, based on the volume weighted average Share price for the 5 trading days prior to the date of this Notice of Annual General Meeting of 2.6 cents, the notional value of the 5,000,000 Performance Rights is \$130,000. This is not necessarily a representative valuation at the proposed grant date. If the Share price is higher or lower than 2.6 cents as at the grant date, this will affect the value of the Performance Rights. This valuation does not take into account transferability or restrictions, the vesting periods or any discount for the vesting conditions.
3. Mr Munshi's direct or indirect interest in securities in the Company is set out in Schedule 4 to this Explanatory Statement.
4. Assuming no other Shares are issued, the maximum dilution that will be experienced by Shareholders as a result of issue to Mr Munshi of the Performance Rights (assuming they vest) is set out in Schedule 4 to this Explanatory Statement.
5. Mr Munshi declines to make a recommendation to Shareholders in relation to this Resolution due to his material personal interest in the outcome of the Resolution. The other Directors, who do not have a material interest in the outcome of this Resolution, recommend that Shareholders vote in favour of the Resolution for the reasons set out in this Explanatory Statement. The Board (other than Mr Munshi) is not aware of any other information that would be reasonably required by Shareholders to allow them to make a decision whether it is in the best interests of the Company to pass the Resolution.
6. No funds will be raised by the issue of Performance Rights although the Company's liability to Mr Munshi in relation to his remuneration will be satisfied by the issue.

Voting Exclusion Statement

The Company will disregard any votes cast on this Resolution by the Directors, any person that will receive the securities the subject of this Resolution, and any of their respective associates. However, the Company will not disregard a vote if it is cast by a person as a proxy for a person who is entitled to vote in accordance with the directions on the Proxy Form or it is cast by the person chairing the meeting as proxy for a person who is entitled to vote, in accordance with a direction on the Proxy Form to vote as the proxy decides.

Resolution 12 – Issue of Performance Rights to Mr John Arbuckle

Background

The Board has determined, subject to obtaining Shareholder approval, to grant a total of 1,000,000 Performance Rights to Mr John Arbuckle, or his nominee, on the terms and conditions set out below.

The primary purpose of the grant of Performance Rights to Mr Arbuckle is to provide a market linked incentive package in his capacity as a Director of the Company and for the future performance by him in his role. The Board (other than Mr Arbuckle) considered the extensive experience and reputation of Mr Arbuckle, the current market price of Performance Rights and current market practices when determining the number of Performance Rights to be issued to Mr Arbuckle.

The Board does not consider that there are any significant opportunity costs to the Company or benefits foregone by the Company in issuing the Performance Rights on the terms proposed.

Shareholder Approval

Section 208 of the Corporations Act provides that, for a public company, or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must:

unless the giving of the financial benefit falls within an exception set out in Sections 210 to 216 of the Corporations Act.

Further, ASX Listing Rule 10.14 requires that an entity must not permit a director or an associate of a director to acquire securities under an employee incentive scheme without the approval of holders of ordinary securities of the acquisition. If approval is obtained under LR 10.14, no further approval is required under Listing Rule 10.11.

The grant of Performance Rights to Mr Arbuckle, or his nominee, requires the Company to obtain Shareholder approval because the grant of Shares constitutes giving a financial benefit and as a Director, Mr Arbuckle is a related party of the Company.

It is the view of the Directors that the exceptions set out in Sections 210 to 216 of the Corporations Act do not apply in the current circumstances. Accordingly, Shareholder approval is sought for the grant of Shares to Mr Arbuckle or his nominee for the purposes of Listing Rule 10.14 and section 208 of the Corporations Act.

If this Resolution is approved by Shareholders, but Resolution 9 is not approved, the Performance Rights will be granted to Mr Arbuckle in accordance with Listing Rule 10.11
7. There is no loan applicable to the grant of the Performance Rights or the issue of the Shares upon vesting of the Performance Rights;
8. The Performance Rights will be issued within 12 months of the date of this Annual General Meeting;

Section 208 of the Corporations Act

The following information, in addition to the information contained in this Explanatory Statement (including Schedules 3 and 4) is provided in accordance with Section 219 of the Corporations Act:

1. Mr Arbuckle's current remuneration package is set out in Schedule 4 to this Explanatory Statement.
2. The value of the Performance Rights is effectively the value of an underlying Share. Therefore, based on the volume weighted average Share price for the 5 trading days prior to the date of this Notice of Annual General Meeting of 2.6 cents, the notional value of the 1,000,000 Performance Rights is \$26,000. This is not necessarily a representative valuation at the proposed grant date. If the Share price is higher or lower than 2.6 cents as at the grant date, this will affect the value of the Performance Rights. 6. No funds will be raised by the issue of Performance Rights although the Company's liability to Mr Arbuckle in relation to his remuneration will be satisfied by the issue.

Voting Exclusion Statement

The Company will disregard any votes cast on this Resolution by the Directors, any person that will receive the securities the subject of this Resolution, and any of their respective associates. However, the Company will not disregard a vote if it is cast by a person as a proxy for a person who is entitled to vote in accordance with the directions on the Proxy Form or it is cast by the person chairing the meeting as proxy for a person who is entitled to vote, in accordance with a direction on the Proxy Form to vote as the proxy decides.

The primary purpose of the grant of Performance Rights to Mr Hempel is to provide a market linked incentive package in his capacity as a Director of the Company and for the future performance by him in his role. The Board (other than Mr Hempel) considered the extensive experience and reputation of Mr Hempel, the current market price of Shares and current market practices when determining the number of Performance Rights to be issued to Mr Hempel.

The Board does not consider that there are any significant opportunity costs to the Company or benefits foregone by the Company in issuing the Performance Rights on the terms proposed.

Section 208 of the Corporations Act provides that, for a public company, or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must:

1. Obtain the approval the public company's members in the manner set out in Sections 217 to 227 of the Corporations Act; and
2. Give the benefit within 15 months following such approval,

Further, ASX Listing Rule 10.14 requires that an entity must not permit a director or an associate of a director to acquire securities under an employee incentive scheme without the approval of holders of ordinary securities of the acquisition. If approval is obtained under LR 10.14, no further approval is required under Listing Rule 10.11.

Prosperity Resources Ltd

Notice of Annual General Meeting 2012

The grant of Performance Rights to Mr Hempel, or his nominee, requires the Company to obtain Shareholder approval because the grant of Performance Rights constitutes giving a financial benefit and as a Director, Mr Hempel is a related party of the Company.

It is the view of the Directors that the exceptions set out in Sections 210 to 216 of the Corporations Act do not apply in the current circumstances. Accordingly, Shareholder approval is sought for the grant of Performance Rights to Mr Hempel or his nominee for the purposes of Listing Rule 10.14 and section 208 of the Corporations Act.

Listing Rule 10.14

The following information is provided for the purposes of Listing Rule 10.15:

1. The related party is Mr Hempel who is a related party by virtue of being a Director.
2. A maximum of 1,000,000 Performance Rights are to be issued, and the maximum number of Shares to be issued upon vesting of the Performance Rights is 1,000,000.
3. The Performance Rights will be issued for nil consideration. Further, the Shares to be issued upon vesting of the Performance Rights will be issued for nil consideration.
4. No persons have received any Performance Rights under the Plan to date.
5. All Directors are entitled to participate in the Plan.
6. The Performance Rights will be issued under the PRP, the subject of Resolution 9, and on the terms set out in Schedule 3 to this Explanatory Statement. Shares issued on vesting of the Performance Rights will be issued on the same terms as, and rank equally with, the existing issued Shares in the Company and application will be made for their quotation on ASX. If this Resolution is approved by Shareholders, but Resolution 9 is not approved, the Performance Rights will be granted to Mr Hempel in accordance with Listing Rule 10.11
7. There is no loan applicable to the grant of the Performance Rights or the issue of the Shares upon vesting of the Performance Rights;
8. The Performance Rights will be issued within 12 months of the date of this Annual General Meeting;

Section 208 of the Corporations Act

The following information, in addition to the information contained in this Explanatory Statement (including Schedules 3 and 4) is provided in accordance with Section 219 of the Corporations Act:

1. Mr Hempel's current remuneration package is set out in Schedule 4 to this Explanatory Statement.
2. The value of the Performance Rights is effectively the value of an underlying Share. Therefore, based on the volume weighted average Share price for the 5 trading days prior to the date of this Notice of Annual General Meeting of 2.6 cents, the notional value of the 1,000,000 Performance Rights is \$26,000. This is not necessarily a representative valuation at the proposed grant date. If the Share price is higher or lower than 2.6 cents as at the grant date, this will affect the value of the Performance Rights. This valuation does not take into account transferability or restrictions, the vesting periods or any discount for the vesting conditions.
3. Mr Hempel's direct or indirect interest in securities in the Company is set out in Schedule 4 to this Explanatory Statement.
4. Assuming no other Shares are issued, the maximum dilution that will be experienced by Shareholders as a result of issue to Mr Hempel of the Performance Rights (assuming they vest) is set out in Schedule 4 to this Explanatory Statement.
6. Mr Hempel declines to make a recommendation to Shareholders in relation to this Resolution due to his material personal interest in the outcome of the Resolution. The other Directors, who do not have a material interest in the outcome of this Resolution, recommend that Shareholders vote in favour of the Resolution for the reasons set out in this Explanatory Statement. The Board (other than Mr

Hempel) is not aware of any other information that would be reasonably required by Shareholders to allow them to make a decision whether it is in the best interests of the Company to pass the Resolution.

7. No funds will be raised by the issue of Performance Rights although the Company's liability to Mr Hempel in relation to his remuneration will be satisfied by the issue.

Voting Exclusion Statement

The Company will disregard any votes cast on this Resolution by the Directors, any person that will receive the securities the subject of this Resolution, and any of their respective associates. However, the Company will not disregard a vote if it is cast by a person as a proxy for a person who is entitled to vote in accordance with the directions on the Proxy Form or it is cast by the person chairing the meeting as proxy for a person who is entitled to vote, in accordance with a direction on the Proxy Form to vote as the proxy decides.

Resolution 14 – Issue of Performance Rights to Mr Mufti Habriansyah

Background

The Board has determined, subject to obtaining Shareholder approval, to allot and issue a total of 1,000,000 Performance Rights to Mr Habriansyah, or his nominee, on the terms and conditions set out below. The primary purpose of the grant of Performance Rights to Mr Habriansyah is to provide a market linked incentive package in his capacity as a Director of the Company and for the future performance by him in his role. The Board (other than Mr Habriansyah) considered the extensive experience and reputation of Mr Habriansyah, the current market price of Shares and current market practices when determining the number of Performance Rights to be issued to Mr Habriansyah.

The Board does not consider that there are any significant opportunity costs to the Company or benefits foregone by the Company in issuing the Performance Rights on the terms proposed.

Shareholder Approval

Section 208 of the Corporations Act provides that, for a public company, or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must:

1. Obtain the approval the public company's members in the manner set out in Sections 217 to 227 of the Corporations Act; and
2. Give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in Sections 210 to 216 of the Corporations Act.

Further, ASX Listing Rule 10.14 requires that an entity must not permit a director or an associate of a director to acquire securities under an employee incentive scheme without the approval of holders of ordinary securities of the acquisition. If approval is obtained under LR 10.14, no further approval is required under Listing Rule 10.11.

The grant of Performance Rights to Mr Habriansyah, or his nominee, requires the Company to obtain Shareholder approval because the grant of Performance Rights constitutes giving a financial benefit and as a Director, Mr Habriansyah is a related party of the Company.

It is the view of the Directors that the exceptions set out in Sections 210 to 216 of the Corporations Act do not apply in the current circumstances. Accordingly, Shareholder approval is sought for the grant of Performance Rights to Mr Habriansyah or his nominee for the purposes of Listing Rule 10.14 and section 208 of the Corporations Act.
