### **Interim Financial Report**

#### **DIRECTORS' REPORT**

Your directors submit the financial report of the consolidated group for the half-year ended 31 December 2011.

#### **Directors**

The names of the directors who held office during or since the end of the half-year are:

Phillip Sidney, Managing Director Drew Townsend, Chairman John Walstab, Director

#### **Review of Operations**

The results for the period are significantly impacted by activity in relation to the closure of the retail Solar Division. During the period the company sought to dispose of the remaining assets of the Solar Division including a number of solar panels and inverters. The market value of these items have significantly decreased and large discounts are needed to move these items.

#### **Continuing Businesses**

The Environmental Services Division continued to be impacted by the lingering uncertainty concerning the level of government assistance provided to consumers in the renewable energy sector. However there has been a recent improvement in sales activity and the Group expects the results for the Environmental Services Division to improve in the second half of the year.

The high end Medical Distribution Division had a strong first half with good sales and a return to profitability. The Group expects the good sales activity to continue in the second half of the year.

The Investment Division results are primarily impacted by the sale of Renewable Energy Certificates RECs at market prices. These prices tend to fluctuate as demand changes and impact the results accordingly.

## **Rounding of Amounts**

The consolidated group has applied the relief available to it in ASIC Class Order 98/100 and accordingly certain amounts in the financial report and the directors' report have been rounded to the nearest \$1,000.

#### **Auditor's Declaration**

The lead auditor's independence declaration under section 307C of the *Corporations Act 2001* for the half-year ended 31 December 2011 is set out on page 2.

The half-year consolidated financial statements are a general purpose financial report prepared in accordance with the requirements of the *Corporations Act 2001*, and Australian Accounting Standard AASB 134: Interim Financial Reporting.

It is recommended that this financial report be read in conjunction with the annual financial report for the year ended 30 June 2011 and any public announcements made by Quantum Energy Limited and its controlled entities during the half-year in accordance with continuous disclosure requirements arising under the *Corporations Act 2001*.

The half-year report has been prepared on an accruals basis and is based on historical costs modified by the revaluation of selected current assets, non-current assets, financial assets and financial liabilities for which the fair value basis of accounting has been applied.

#### New Accounting Standards

Certain new accounting standards and interpretations have been published that are not mandatory for the half-year reporting period. The group's assessment of the impact of these new standards and interpretations is that they will result in no significant changes to the amounts recognised or matters disclosed in future half-year report.

#### **QUANTUM ENERGY LIMITED**

#### INDEPENDENT AUDITOR'S REVIEW REPORT

#### To the members of Quantum Energy Limited

We have reviewed the accompanying half-year financial report of Quantum Energy Limited ("the Company") which comprises the balance sheet as at 31 December 2011, the statement of comprehensive income, balance sheet statement of changes in equity and statement of cash flows for the half-year ended on that date, other selected explanatory notes and the directors' declaration of the consolidated entity, comprising the Company and the entities it controlled at the half-year end or from time to time during the half-year.

#### Directors' Responsibility for the Half-Year Financial Report

The directors of the company are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such control as the directors determine is necessary to enable the preparation of the half-year financial report that is free from material misstatement, whether due to fraud or error.

#### **Auditor's Responsibility**

Our responsibility is to express a conclusion on the half-year financial report based on our review. We conducted our review in accordance with Auditing Standard on Review Engagements ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity,* in order to state whether, on the basis of the procedures described, we have become aware of any matter that makes us believe that the financial report is not in accordance with the *Corporations Act 2001* including: giving a true and fair view of the consolidated entity's financial position as at 31 December 2011 and its performance for the half-year ended on that date; and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*. As the auditor of Quantum Energy Limited, ASRE 2410 requires that we comply with the ethical requirements relevant to the audit of the annual financial report.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

While we considered the effectiveness of management's internal controls over financial reporting when determining the nature and extent of our procedures, our review was not designed to provide assurance on internal controls.

Our review did not involve an analysis of the prudence of business decisions made by directors or management.

#### Independence

In conducting our review, we have complied with the independence requirements of the Corporations Act 2001.

#### Conclusion

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the half-year financial report of Quantum Energy Limited is not in accordance with the *Corporations Act 2001* including:
