#### **NOTICE OF EXPIRY OF UNLISTED OPTIONS**

Strzelecki Metals Limited wishes to advise that 2,000,000 unlisted options over fully paid ordinary shares exercisable at \$0.10 will expire at **5.00pm Western Standard Time ("WST") on 23 July 2012.**

The options were not "in the money" on the 25th business day before the option expiry date. As a result, the timetable and clauses 6.1 and 6.2 of ASX Appendix 6A do not apply and option expiry notices will not be sent to optionholders.

Yours faithfully
