ASX ANNOUNCEMENT

Quarterly Activities Report for the quarter ended 30 September 2012

This announcement should be read in conjunction with the quarterly cashflow report for the September 2012 quarter.

Corporate

During the quarter, the company released the audited accounts for the year ended 30 June 2012 to the ASX.

West Africa – Namibia & Ghana Operations

The company continues to maintain its mineral resource properties in Namibia and Ghana.

In Namibia, the company's 70% owned Kuiseb Copper-Gold project is subject to an initial scoping study by SRK Consulting South Africa. An update of the resources and the project will be made available in due course.

In Ghana, the company continues to review its Kutukrom Gold project located in the western region of Ghana along with its Bole Gold project located in the northern region. The company is awaiting the renewal of its licences prior to commencing a new exploration program and/or entering into a joint venture arrangement for on-going exploration and potential development.

The company has continued to evaluate corporate opportunities in relation to its mineral interests in Namibia and Ghana.

South America - Peru and Chilean Operations

The company continues to maintain an exposure to mineral interests in Chile and Peru through its shareholding in the ASX listed Metminco Limited.

The company maintains active discussions with Metminco as it progresses its exploration activities and on-going development opportunities.

For more information regarding the activities of Metminco, please refer 'Activities Report' ASX announcement released by Metminco www.metminco.com.au.

Yours sincerely,

Notes

- 1 The quarterly report provides a basis for informing the market how the entity's activities have been financed for the past quarter and the effect on its cash position. An entity wanting to disclose additional information is encouraged to do so, in a note or notes attached to this report.
- 2 The "Nature of interest" (items 6.1 and 6.2) includes options in respect of interests in mining tenements acquired, exercised or lapsed during the reporting period. If the entity is involved in a joint venture agreement and there are conditions precedent which will change its percentage interest in a mining tenement, it should disclose the change of percentage interest and conditions precedent in the list required for items 6.1 and 6.2.
- 3 **Issued and quoted securities** The issue price and amount paid up is not required in items 7.1 and 7.3 for fully paid securities.
- 4 The definitions in, and provisions of, *AASB 1022: Accounting for Extractive Industries* and *AASB 1026: Statement of Cash Flows* apply to this report.
- 5 **Accounting Standards** ASX will accept, for example, the use of International Accounting Standards for foreign entities. If the standards used do not address a topic, the Australian standard on that topic (if any) must be complied with.
