FORTESCUE METALS GROUP LTD (FMG) – WASTE MANAGEMENT SERVICES CONTRACT AWARD

- **Provision of Waste Management Services for Fortescue Metals Group at both Cloudbreak and Christmas Creek**
- **Establishment of a Joint Venture partnership with a local indigenous contractor**
- **Three year contract with two year extension option**

Tox Free Solutions Limited ('Tox Free' or 'Company') is pleased to announce, together with its Joint Venture Partner PLWA Group (Pilbara Logistics WA Pty Ltd), the Company has been successful in the award of a contract to provide Waste Management Services to FMG at the Cloudbreak and Christmas Creek mine sites.

The service offering will include; the management of all waste generated from FMG's operations including the operation and maintenance of FMG's landfill at Cloudbreak and design, operation and maintenance of a waste and recycling transfer station at Christmas Creek.

Toxfree is also pleased to advise it has entered into a joint venture partnership with PLWA Group to provide services to FMG under this contract. The core business of PLWA Group is the provision of environmental, civil and construction services to the mining sector in the Pilbara. PLWA Group is a local indigenous employment provider further enhancing Toxfree's commitment to the Pilbara and enhancing its commitment to indigenous career development.

Steve Gostlow said “Toxfree is proud that working with a local Joint Venture partner we can continue to have both a strong local community and indigenous involvement in providing services to the mining sector throughout the Pilbara.”

About Fortescue: Located in the iron ore rich Pilbara region of Western Australia with close proximity to Asia and India, Fortescue is the world’s fourth largest iron ore producer and is still growing. Fortescue has an enviable track record of rapidly bringing new projects online and is continuing to unlock the significant potential of the Pilbara’s vast resources. Over the next two years, Fortescue is planning to triple its size, increasing iron ore exports by over 180 per cent.

Toxfree remains focussed on its long term future. Growth will continue through strategic acquisition, further contracts and organic growth of our existing divisions.

Yours faithfully

STEVE GOSTLOW
Managing Director
