## Market Release – CEO Resignation

Wotif.com Holdings Limited today announced that its CEO and Managing Director, Robbie Cooke, had tendered his resignation from the Group. He is expected to leave the company at the end of the year.

Wotif's Chairman, Dick McIlwain said *"after 7 years of successfully leading the team at Wotif and managing the emergence of the company from private ownership into a class leading ASX listed company he has informed me that he wished to step down to pursue an opportunity outside the travel industry. I know this decision would not have been an easy one given Robbie's passion for Wotif and the online travel sector."*

The Wotif Board has commenced a process to appoint a new CEO. Mr McIlwain said *"we are targeting an appointment around the end of this calendar year and we are confident that we can seamlessly transition to the new CEO with Robbie's support"*.
