#### **Review of Operations**

#### Islington Railyards ("Churchill Centre")

The Islington Railyards site consists of two separate large tracts of land of 6 hectares (south) and 18 hectares (north) for a total of 24 hectares, strategically located in the inner northwest suburbs of Adelaide, 6kms from the CBD. The Company has "joint ownership" of the land under a 97 year lease with the South Australian Government. The master plan for the two sites will result in a major retail destination, servicing the needs of Adelaide's inner northwestern suburbs. The master plan will incorporate a mix of bulky goods and hardware tenancies, alongside a major supermarket, shopping centre and a mix of other exciting retail opportunities.

The Company considers this development as a key component to the future success of the Company, being a major plank of the development and investment portfolio over the short to medium term.

The two distinct sites are referred to as Churchill Centre North and Churchill Centre South:

#### Churchill Centre North

The northern component of this project sits on 18 hectares of land, and will comprise a major shopping centre, consisting of a 5,500 sq.m. Coles supermarket, a 5,400 sq.m. Kmart Discount Department Store, several other minimajor retailers and approx. 60 specialty shops. Additionally, the Centre will incorporate a Coles service station alongside several other pad sites of fast food outlets and other strategic retailing uses. This northern stage is designed to incorporate in excess of 40,000 sqm of quality destination retail.

During the half year the Company continued its pre-leasing strategy, successfully agreeing terms with a number of key anchor tenants and ancillary users.

Also during the half year the Company announced a strategic tie-up with Southern Cross Equity Group Pty Ltd, a syndicate of Adelaide based investors who have purchased a 50% share in the project by providing an equity investment of \$11.25m.

#### Churchill Centre South

The balance of the developable land at Churchill Centre South comprises approximately 3 hectares of retail zoned land. The Company's vision for this development is for a mixed-use retail and bulky goods centre of approximately 7,500 sq.m. to sit alongside the previously developed (and subsequently sold) Bunnings warehouse. During the half year the Company focused its efforts on securing an appropriate anchor tenant to enable the development to commence. At this stage, no such anchor tenant has been secured, however there are several prospective retailers in early-stage discussions.

#### **DIRECTORS' REPORT (continued)**

#### **Gepps Cross Bulky Goods Centre, Gepps Cross SA**

During the half year the Company sold its remaining interest in the Gepps Cross Bulky Goods Centre, the 62,000sq.m. bulky goods homemaker centre in Adelaide's northern suburbs which was developed by the Company on behalf of itself and its Joint Venture partners Charter Hall and Harvey Norman. The Company owned a 50% interest in one of the 2 sites comprising the Centre, having sold its half interest in the other site in December 2010. The sale price was \$30.7m and settled in October 2012.

#### World Park 01, Keswick SA

Worldpark 01 is a campus-style, green office park on the fringe of the Adelaide CBD with an approval to construct 3 boutique office buildings. The first of these buildings was completed and subsequently sold.

Axiom retains ownership of the balance of the land of approximately 2 hectares and is actively marketing and promoting it to secure a pre-commitment sufficient to commence construction of the next stage of the project.

#### Port Geographe, Busselton, WA

The Company's subsidiary, Tallwood Nominees Pty Ltd, which owns the 40% interest in the Port Geographe Joint Venture, was placed into Administration in August 2011. During the half year, the Administrator recommended that Tallwood Nominees be placed into liquidation which was approved by stakeholders. As a consequence, Tallwood is currently being liquidated and eventually the subsidiary will be wound up.

#### Other

The Company is also evaluating a number of other strategic corporate, investment and development opportunities in the property and other sectors.

The Group notes there is significantly more value in the underlying assets of the Group than is reflected in the financial statements.

#### SIGNIFICANT CHANGES IN THE STATE OF AFFAIRS

During the half-year there was no significant change in the state of affairs of the Company other than that referred to in this Directors' Report, the condensed financial statements or notes thereto.

#### **ROUNDING OF AMOUNTS**

The Company has applied the relief available to it in ASIC Class Order 98/100, and accordingly certain amounts in the interim financial report and the Directors' report have been rounded off to the nearest \$1,000, unless otherwise indicated.

#### **AUDITOR'S INDEPENDENCE DECLARATION**

Section 307C of the Corporations Act 2001 requires our auditors, HLB Mann Judd, to provide the Directors of the Company with an Independence Declaration in relation to the review of the half-year financial report. This Independence Declaration is set out on page 5 and forms part of this Directors' Report for the half year ended 31 December 2012.

This report is signed in accordance with a resolution of the Board of Directors made pursuant to s.306(3) of the Corporations Act 2001.

# NOTES TO THE FINANCIAL STATEMENTS FOR THE HALF-YEAR ENDED 31 DECEMBER 2012

#### **NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES**

#### Statement of compliance

These interim consolidated financial statements are general purpose financial statements prepared in accordance with the requirements of the Corporations Act 2001, applicable accounting standards including AASB 134 'Interim Financial Reporting', Accounting Interpretations and other authoritative pronouncements of the Australian Accounting Standards Board ('AASB'). Compliance with AASB 134 ensures compliance with IAS 34 'Interim Financial Reporting'.

This condensed half-year report does not include full disclosures of the type normally included in an annual financial report. Therefore, it cannot be expected to provide as full an understanding of the financial performance, financial position and cash flows of the Group as in the full financial report.

It is recommended that this financial report be read in conjunction with the annual financial report for the year ended 30 June 2012 and any public announcements made by Axiom Properties Limited and its subsidiaries during the half-year in accordance with continuous disclosure requirements arising under the Corporations Act 2001 and the ASX Listing Rules.

#### **Basis of preparation**

The interim report has been prepared on a historical cost basis, except for the revaluation of certain financial instruments to fair value. Cost is based on the fair value of the consideration given in exchange for assets. The Company is domiciled in Australia and all amounts are presented in Australian dollars, unless otherwise noted.

For the purpose of preparing the interim report, the half-year has been treated as a discrete reporting period.

The Company is of a kind referred to in ASIC Class Order 98/100, and accordingly, amounts in the Directors' Report and the interim financial report are rounded off to the nearest thousand dollars, unless otherwise indicated.

#### **Adoption of new and revised Accounting Standards**

In the half-year ended 31 December 2012, the directors have reviewed all of the new and revised Standards and Interpretations issued by the AASB that are relevant to its operations and effective for annual reporting periods beginning on or after 1 July 2012.

It has been determined by the directors that there is no impact, material or otherwise, of the new and revised Standards and Interpretations on the company and, therefore, no change is necessary to Group accounting policies.

The directors have also reviewed all new Standards and Interpretations that have been issued but are not yet effective for the half-year ended 31 December 2012. As a result of this review the directors have determined that there is no impact, material or otherwise, of the new and revised Standards and Interpretations on the company and, therefore, no change is necessary to Group accounting policies.

#### Significant accounting judgments and key estimates

The preparation of interim financial reports requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expense. Actual results may differ from these estimates.

In preparing this interim report, the significant judgments made by management in applying the Group's accounting policies and the key sources of estimation uncertainty were the same as those that applied to the consolidated financial report for the year ended 30 June 2012.

# NOTES TO THE FINANCIAL STATEMENTS FOR THE HALF-YEAR ENDED 31 DECEMBER 2012

#### Going concern

The Directors have presented the interim report on the basis that the Group will continue as a Going Concern. The Directors have examined significant areas of possible financial risk and have satisfied themselves that the Group has adequate resources to continue in operational existence for the foreseeable future.

#### Interests in Joint Ventures

The Group's share of the assets, liabilities, revenue and expenses of jointly controlled operations have been included in the appropriate line item of the consolidated financial statements.

The Group's interest in jointly controlled operations is recorded using the proportionate consolidation method in the consolidated financial statements.

Where the Group contributes assets to the joint venture or if the Group purchases assets from the joint venture, only the portion of the gain or loss that is not attributable to the Group's share of the joint venture shall be recognised. The Group recognises the full amount of any loss when the contribution results in a reduction in the net realisable value of current assets or an impairment loss.
