Voluntary Suspension

Further to the Company's request for a trading halt on 11 March 2013, we advise that the circumstances necessitating the trading halt still remain.

The Company therefore requests that at the end of the trading halt ASX grant a voluntary suspension until the outcome of the operations review and funding discussions with its lenders is finalised.

The Company is not aware of any reason why the voluntary suspension should not be granted.

Yours faithfully,
ALCYONE RESOURCES LIMITED
