

## Alcyone Hosts Site Visit's In September 2013

---

Alcyone Resources Limited (ASX: "AYN") (Alcyone or the Company) is pleased to announce it has successfully hosted a site visit for a consortium of Malaysian investors at its Texas Silver Mine in Queensland yesterday. The consortium of thirteen participants made their own way to Brisbane and the Company made all further arrangements to and from site. Attendance was limited to those participants with a keen interest in Alcyone's investment proposition and who are also relevant participants in the investment community.

A second site visit will be conducted next week by a first tier bank and a leading brokerage firm. The Company welcomes the interest in its world class Texas Silver Mine and will keep the market updated in relation to the upgrade of the crushing circuit and completion of its silver streaming transaction in due course.

### About Alcyone

*Alcyone Resources (ASX:AYN) is a pure play low cost silver producer based in south-east Queensland. Alcyone's Texas Silver Project (100% owned) which includes the Twin Hills Mine and Mount Gunyan commenced silver production in July 2011, with targeted annual silver production levels in excess of 1Moz.*

### Forward-Looking Statement

*Certain statements made during or in connection with this communication, including, without limitation, those concerning exploration targets, contain or comprise certain forward-looking statements regarding Alcyone's exploration operations, economic performance and financial condition. Although Alcyone believes that the expectations reflected in such forward-looking statements are reasonable, no assurance can be given that such expectations will prove to have been correct. Accordingly, results could differ materially from those set out in the forward-looking statements as a result of, among other factors, changes in economic and market conditions, success of business and operating initiatives, changes in the regulatory environment and other government actions, fluctuations in metals prices and exchange rates and business and operational risk management. Alcyone undertakes no obligation to update publicly or release any revisions to these forward-looking statements to reflect events or circumstances after today's date or to reflect the occurrence of unanticipated events.*
