## Research & Development Claim Received

**Bligh Resources Limited ("Bligh") (ASX: BGH)** is pleased to announce that it has received a refund of \$244,000 from the Australian Taxation Office following the lodgement of the 30 June 2012 income tax return.

The refund related primarily to a claim made under the Federal Government's Research & Development ("R&D") Tax Incentive Scheme. Bligh's claim relates to a portion of the expenditure incurred through the VTEM survey program at the Manila manganese tenements in New South Wales and the Bootu Creek II manganese project in the Northern Territory.

The \$244,000 will strengthen Bligh's cash position and support the Company's ongoing exploration activity.
