CTI LOGISTICS LIMITED --- PROFIT ANNOUNCEMENT

Pursuant to the announcement to the Australian Stock Exchange dated 28 November 2012, the directors of CTI Logistics Limited advise that the profit before tax for the six months ending 31 December 2012 is now expected to exceed the profit before tax for the previous corresponding period by 60-62%.

As previously reported, the increase in both revenue and profit stems largely from resource-related work.
