**Berrima Colliery Update**

Further to the announcement issued on 5 March 2013, Delta SBD advises that its client Boral Limited has lodged an appeal against the NSW Land and Environment Court Commissioners' ruling which refused Boral's application for project approval for the Berrima Colliery.

The Commissioners' ruling overturned an earlier decision of the Government's expert panel – the Planning Assessment Commission – which granted project approval for Berrima Colliery after a rigorous two-year assessment process that closely scrutinised truck movements and environmental impacts.

Operations continue as normal at the colliery based on Boral's existing 2009 Subsidence Management Plan Approval, its current Environmental Protection Licence and the continuing use rights provided to Boral under the NSW Environment Planning and Assessment Act 1979.

Delta SBD will continue working closely with Boral through the appeal process and will provide further information when it is available.

Yours Faithfully
