About GBM Gold Ltd (ASX: GBM)

GBM Gold Ltd (GBM) is focused on building a strong gold production base from what are at present 5 gold projects in Central Victoria, Australia – with a growing focus on surface accessed production.

Within each of these 5 projects - at Inglewood, Goldsbrough, Beavis, Fiddlers Creek-Avoca and Wilson Hill - are one or more granted Exploration or Mining licences, each containing a number of well defined Resource blocks and/or Exploration Targets. The various projects are at a mix of development stages, with some projects in production and others in later or earlier analysis, exploration or development phases.
