Dear Sir/Madam

**Appendix 3B – Share Placement Tranche 1**

Please find attached an Appendix 3B and Section 708 Notice in respect of the issue of 15,000,000 ordinary fully paid shares, issued pursuant to the first tranche of a share placement announced to ASX on 11 June 2013. The balance of the Placement Shares will be issued in due course.

The shares are issued pursuant to Listing Rule 7.1A and the Company provided the following information in accordance with Listing Rule 3.10.5A:

**(a) Details of the dilution to the existing holders of ordinary securities caused by the issue.**

Number of shares held by existing shareholders before the Placement	277,415,003
Number of Shares on issue after the Placement	292,415,003
% dilutionary effect of Placement on existing shareholders before the Placement	5.13%

**(b) Where the equity securities are issued for cash consideration, a statement of the reasons why the eligible entity issued the equity securities as a placement under rule 7.1A and not as (or in addition to) a pro rata issue or other type of issue in which existing ordinary security holders would have been eligible to participate.**

The current placement arrangement provided the Company with a willing and timely source of funding.

The Company considered the level of capital raising support likely to be provided by existing shareholders would be insufficient, and that the required timeframe to make either a pro-rata or other type of offer to existing shareholders was not aligned to the Company's funding requirements.

**(c) Details of any underwriting arrangements, including any fees payable to the underwriter.**

No underwriting arrangements or underwriting fees payable.

**(d) Any other fees or costs incurred in connection with the issue.**

Reimbursable expenses and fee payable to non-related parties in respect of the arrangement of the share placement – approximately 10% of gross placement funds.
