REQUEST FOR TRADING HALT

Kaboko Mining Limited (ASX:KAB) (“**Kaboko**” or the “**Company**”) requests that a trading halt be granted by the Australian Securities Exchange (**ASX**) with respect to its securities, effective pre-open Wednesday, 30 October 2013.

In accordance with Listing Rule 17.1, the Company advises that:

- 1) it seeks a trading halt pending an announcement to be made in respect of funding arrangements and corporate activities;
- 2) it requests the trading halt end on the earlier of the commencement of normal trading on Friday, 1 November 2013, or when an announcement in respect of the above is released to the market; and
- 3) it is not aware of any reason why the trading halt should not be granted, or of any other information necessary to inform the market about the trading halt.

About Kaboko Mining Limited

Kaboko Mining Limited (ASX:KAB) is an ASX listed exploration, development and mining company primarily focused on establishing itself as a major producer and exporter of high grade manganese ore from its portfolio of assets in Zambia. Kaboko currently holds majority interests in 5 large scale prospecting licenses and 2 small scale mining licenses covering over 2,700km² in established and highly prospective manganese mining regions in Zambia. The Company is focused on the development of its large license holdings and establishing long-term sustainable production of a high grade and high quality manganese ore initially from its Mansa, Northern Zambian Projects. In 2012 the Company concluded strategic off-take and funding agreements with Sinosteel Australia Limited and Noble Resources Limited that are proposed to be used to complete further exploration and to advance its projects towards full-scale commercial production.

Forward Looking Statement

Certain statements made during or in connection with this communication, including, without limitation, those concerning the economic outlook for the manganese market, expectations regarding manganese ore prices, production, cash costs and other operating results growth prospects and the outlook of Kaboko's operations including the likely commencement of commercial operations of the Emmanuel, Kanona and Mansa, Northern Zambian Projects, its liquidity and the capital resources and expenditure, contain or comprise certain forward-looking statements regarding the Company's development and exploration operations economic performance and financial condition. Although the Company believes that the expectations reflected in such forward-looking statements are reasonable, no assurance can be given that such expectations will prove to have been correct. Accordingly, results could differ materially from those set out in the forward-looking statements as a result of, among other factors, changes in economic and market conditions, success of business and operating initiatives, changes in the regulatory environment and other government actions, fluctuations in manganese ore prices and exchange rates and business and operational risk management. For a discussion of such factors refer to the Company's most recent annual report and half year report. The Company undertakes no obligation to update publicly or release any revisions to these forward-looking statements to reflect events or circumstances after today's date or to reflect the occurrence of unanticipated events.
