Dear Shannon,

**LIQUEFIED NATURAL GAS LIMITED (ASX:LNG)

Pursuance to ASX Listing Rule 17.2, Liquefied Natural Gas Limited (“the Company”) requests a suspension from trading of the Company’s securities.

In support of the request we provide the following information:

1. The reason for the suspension is that a Placement is still pending;
2. The suspension is expected to last up to two trading days;
3. The additional time should enable the capital raising to be finalised, which will end the suspension;
4. The Company is not aware of any reason why the suspension should not be granted; and
5. The Company is not aware of any additional information it is required to disclose in relation to the request for the suspension.

Please do not hesitate to contact me if you require any additional information.
