### Quotation agreement

1      +Quotation of our additional +securities is in ASX's absolute discretion. ASX may quote the +securities on any conditions it decides.

2      We warrant the following to ASX.

- The issue of the +securities to be quoted complies with the law and is not for an illegal purpose.
- There is no reason why those +securities should not be granted +quotation.
- An offer of the +securities for sale within 12 months after their issue will not require disclosure under section 707(3) or section 1012C(6) of the Corporations Act.

Note: An entity may need to obtain appropriate warranties from subscribers for the securities in order to be able to give this warranty

- Section 724 or section 1016E of the Corporations Act does not apply to any applications received by us in relation to any +securities to be quoted and that no-one has any right to return any +securities to be quoted under sections 737, 738 or 1016F of the Corporations Act at the time that we request that the +securities be quoted.
- If we are a trust, we warrant that no person has the right to return the +securities to be quoted under section 1019B of the Corporations Act at the time that we request that the +securities be quoted.

3      We will indemnify ASX to the fullest extent permitted by law in respect of any claim, action or expense arising from or connected with any breach of the warranties in this agreement.

4      We give ASX the information and documents required by this form. If any information or document not available now, will give it to ASX before +quotation of the +securities begins. We acknowledge that ASX is relying on the information and documents. We warrant that they are (will be) true and complete.

**INFORMATION REQUIRED BY LISTING RULE 3.10.5A WITH RESPECT TO THE  
ISSUE UNDER LISTING RULE 7.1A**

(Note: the calculations below are on the basis that the share issue the subject of this Appendix 3B under Listing Rule 7.1 occurred prior to the share issue under Listing Rule 7.1A).

- (a) The percentage of the issued capital of the entity represented by the securities issued under Listing Rule 7.1A is 8.7%.

The percentage of the post-placement issued capital held by the pre-placement security holders is 92.0%.

The percentage of post placement issued capital held by pre-placement security holders who did not participate in the placement was 59.8%.

The percentage of post placement issued capital held by pre-placement security holders who did participate in the placement was 40.2%.

The percentage of post placement issued capital held by participants in the placement who were not previously security holders was Nil%.

- (b) The Company has elected to raise the additional funds needed by way of private placement pursuant to its 10% capacity under ASX Listing Rule 7.1A rather than a rights issue for the following reasons:

- Rights issues are not widely used in North America (where the bulk of the Company's shareholders reside) compared to Australia
- Pricing the offer at the current share price would not have been possible had the Company elected to raise the funds by way of a rights issue given that typically rights issue incorporate a larger discount
- The timetable of a rights issue would have exposed the Company to pricing risk on the financing

- (c) The issue is not underwritten.

- (d) A finder's fee of 3% cash is payable on the funds raised from the placement.
