CHANGE OF COMPANY NAME AND ASX CODE

NeuroDiscovery is pleased to announce that, with effect 3rd June 2013, its name has changed to OncoSil Medical Ltd and that its ASX issuer code is OSL (ASX:OSL).

The change of name follows the Company's General Meeting held on 22 May 2013 where shareholders voted in favour of a resolution to change the name of the company. The change more accurately reflects the operations of the Company following its expansion into the development of an innovative brachytherapy product for the treatment of pancreatic cancer on the acquisition of Enigma Therapeutics Limited in March 2013.

Yours faithfully

David McAuliffe
Executive Director
