Nufarm Interim Results

Nufarm released its interim results for the 6 months to 31 January 2013 to ASX yesterday. Nufarm wishes to correct a typographical error in the key information contained on page 1 of the Report to shareholders. At the foot of page 1 of the Report, the total dividend per share is incorrectly shown as 4c per share. The correct number is 3c per share as set out in the Highlights section on page 1 of the Report, and elsewhere in the Report
