

## ASX Announcement

31 January 2013

### **BIANNUAL MAINTENANCE SHUTDOWN COMPLETED LAS LAGUNAS GOLD/SILVER PROJECT, DOMINICAN REPUBLIC**

PanTerra Gold Limited (ASX: PGI) (PanTerra Gold or the “Company”), advises that the scheduled plant closure for its biannual maintenance program at the Las Lagunas gold/silver project in the Dominican Republic has finished, with operations restarted yesterday.

Production in February 2013 is expected to continue the trend of increasing throughput and increasing gold and silver recoveries.
