## PROGRESS 2005-1 TRUST

### Trustee's Report

for the year ended 31 December 2012

The financial statements for the year ended 31 December 2012 have been prepared by the Trust Manager, Priority One Agency Services Pty Limited as required by the Trust Deed.

The Auditor of the Trust, Ernst & Young, who has been appointed by us in accordance with the Master Trust deed, has conducted an audit of these financial statements.

A review of the operations of the Trust and the results of those operations for the year ended 31 December 2012 is contained in the Manager's Report.

Based on our ongoing program of monitoring the Trust, the Trust Manager's review and our review of the financial statements, we believe that:

- (i) the activities of the Trust have been conducted in accordance with the Trust Deed; and
- (ii) the financial statements have been appropriately prepared and contain all relevant and required disclosures.

We are not aware of any material matter or significant change in the state of affairs of the Trust occurring up to the date of this report that requires disclosure in the financial statements and the notes thereto that has not already been disclosed.

For and on behalf of  
Perpetual Trustee Company Limited

Sydney, 22 May 2013

## **PROGRESS 2005-1 TRUST**

### **Manager's Report**

for the year ended 31 December 2012

The Manager presents its report on the financial statements of the Progress 2005-1 Trust ("the Trust") for the year ended 31 December 2012.

#### **Trust manager**

The Trust Manager of the Trust for the year ended 31 December 2012 was Priority One Agency Services Pty Limited.

#### **Principal activities**

The principal activities of the Trust during the year were the holding of assets of the Trust and the distribution to the unitholders of the Trust.

#### **Review of operations**

The Trust was established under a Master Trust Deed dated 24 June 1997 and the Trust Series Notice dated 18 April 2005.

#### **Financial results and distributions**

The net liabilities attributable to the unitholders for the year ended 31 December 2012 were \$628k (2011: \$2,442k) following a cash distribution of \$1,022k (2011: \$1,282k) made to unitholders.

#### **Significant changes in the state of affairs**

There were no significant changes in the state of affairs of the Trust during the year.

#### **Environmental regulations**

The Trust's operations are not subject to any particular and significant environmental regulation under a law of the Commonwealth or State or Territory.

#### **Events occurring after the reporting date**

As at the date of this report, the Trust Manager is not aware of any matter or circumstance that has arisen since the reporting date that has significantly affected or may significantly affect the Trust's operations in future years; the results of those operations in future years; or the Trust's state of affairs in future years which is not already reflected in this report.

#### **Likely developments**

In the opinion of the Trust Manager, disclosure of further information about likely developments in the operations of the Trust is commercially sensitive and would likely be detrimental and result in unreasonable prejudice to the Trust.

#### **Indemnification and insurance of Trust manager and officers**

Under its Constitution, the Trust indemnifies, to the extent permitted by law, all officers of the Trust Manager, (including the directors), for any liability (including the costs and expenses of defending actions for an actual or alleged liability) incurred in their capacity as an officer of the Trust.

This indemnity is not extended to current or former employees of the AMP Limited group against liability incurred in their capacity as an employee unless approved by the Board of AMP Limited. During or since the end of the financial year, no such indemnities have been provided.

During the financial year, AMP Limited agreed to insure all the officers of the Trust Manager against certain liabilities as permitted by the Corporations Act. The insurance policy prohibits disclosure of the nature of the cover, the amount of the premium, the limit of liability and other terms.

**PROGRESS 2005-1 TRUST**

**Manager's Report (continued)**

for the year ended 31 December 2012

**Indemnification and insurance of Trust manager and officers (continued)**

AMP Group Holdings Limited ("AMPGH") has entered into a deed of indemnity and access with each director of the Trust Manager. Each deed of indemnity and access provides that:

- the director will have access to the books of the company for their period of office and for seven years after they cease to hold office (subject to certain conditions); and
- AMPGH agrees to indemnify the director, to the extent permitted by law, against any liability incurred by the Director in his or her capacity as a director of the company and of other AMP group companies.

**Rounding**

The amounts in the accompanying financial report have been rounded off to the nearest thousand Australian dollars unless stated otherwise.

# PROGRESS 2005-1 TRUST

## Notes to the financial statements

for the year ended 31 December 2012

### 1. Summary of significant accounting policies

The principal accounting policies adopted in the preparation of the special purpose financial report are set out below. These policies have been consistently applied to the current year and the comparative period unless otherwise stated. The financial report consists of financial statements for the Progress 2005-1 Trust ("the Trust") as a single entity.

#### a) Basis of preparation

Progress 2005-1 Trust was constituted on 18 April 2005 and will terminate on 22 April 2035, in accordance with the provisions of the Master Trust Deed.

The entity is not a reporting entity because in the opinion of the Trust Manager (Priority One Agency Services Pty Limited) users of the financial report who are unable to command the preparation of reports tailored so as to satisfy specifically all of their information needs are unlikely to exist. Accordingly, this special purpose financial report has been prepared to satisfy the Trust Manager's reporting requirements under the Master Trust Deed.

The financial report has been prepared in accordance with the recognition and measurement basis of accounting specified by Australian Accounting Standards and disclosure requirements of the following Australian Accounting Standards:

- AASB 101 *Presentation of Financial Statements*;
- AASB 107 *Cash Flow Statements*;
- AASB 108 *Accounting Policies, Changes in Accounting Estimates and Errors*.

The financial report has been rounded to the nearest thousand Australian dollars unless stated otherwise.

Where necessary, comparative information has been reclassified to be consistent with current period disclosures.

The financial report has been prepared on the historical cost basis, except for derivative financial liabilities which are at fair value.

#### *Changes in accounting policy*

Since 1 January 2012, the Trust has adopted a number of Australian Accounting Standards which have become mandatory adoption including:

- AASB 2010-8 *Income taxes (amendment) – Deferred tax: Recovery of Underlying Asset*;
- AASB 2010-6 *Amendment to Australian Accounting Standards – Disclosures on transfers of financial asset*; and
- AASB 1054 *Australian Additional disclosures*.

Adoption of these standards has not had any material effect on the financial position or performance of the Trust.

#### *Australian Accounting Standards issued but not yet effective*

A number of new accounting standards have been issued but are not yet effective. The Trust has not elected to early adopt any of these new standards or amendments in this financial report. These new standards and amendments, when applied in future periods, are not expected to have a material impact on the financial position or performance of the Trust:

- *AASB 13 Fair Value Measurement*. This standard centralises the definition and guidance for calculating fair values where required to be applied by various other accounting standards and removes some minor inconsistencies that previously existed between the guidance for determining fair value in these standards. The new standard requires quantitative and qualitative disclosures of all fair value measurements. AASB 13 is mandatory for adoption by the Trust in the year ending 31 December 2013. The financial impact on the Trust of adopting AASB 13 is not expected to be material.
- *Revised AASB 101 Presentation of Financial Statements*. The revised AASB 101 requires items in the Statement of comprehensive income to be segregated between those that will be eventually realised in the Income statement in future periods and those that will not. The revised AASB 101 is mandatory for adoption by the Trust in the year ending 31 December 2013. The changes to AASB 101 relate to presentation only and are not expected to have a financial impact on the Trust.
- *AASB 2012 – 3 Amendments to Australian Accounting Standards – Offsetting Financial Assets and Financial Liabilities*. These amendments clarify the meaning of "currently has a legally enforceable right to set off". The amendments also clarify the application of AASB 132 "Financial Instruments: Presentation" offsetting criteria to settlement systems which apply to gross settlement mechanisms that are not simultaneous. These amendments are mandatory for adoption by the Trust in the year ending 31 December 2014. These changes are not expected to have a financial impact on the Trust.

# PROGRESS 2005-1 TRUST

## Notes to the financial statements (continued)

for the year ended 31 December 2012

### 1. Summary of significant accounting policies (continued)

#### a) Basis of preparation (continued)

- *AASB 9 Financial Instruments*. This standard makes significant changes to the way financial assets are classified for the purpose of determining their measurement basis and also to the amounts relating to fair value changes which are to be taken directly to equity. In subsequent phases, the AASB will address hedge accounting and impairment of financial assets. AASB 9 is mandatory for adoption by the Trust in the year ending 31 December 2015. The financial impact to the Trust of adopting AASB 9 has not yet been quantified.

#### b) Cash and cash equivalents

Cash and cash equivalents comprise cash at bank that is available on demand and deposits that are held at call with financial institutions. These amounts are recognised at the face value or gross value of the outstanding balance. Interest is taken to the Statement of comprehensive income using the effective interest rate method when earned.

#### c) Receivables

Receivables from related parties are recognised at amortised cost including interest receivable.

#### d) Financial assets

##### *Loans to related parties*

Loans to related parties are financial assets initially recognised at fair value, net of directly attributable incremental transaction costs. After initial recognition, financial asset loans are subsequently measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in the Statement of comprehensive income over the period of the loan using the effective interest method. Loans with no stated interest rates, which are held at call, are recognised at their nominal amount.

#### e) Other assets

Other assets comprise sundry receivables.

#### f) Recognition and derecognition of financial assets and financial liabilities

Financial assets and financial liabilities are recognised at the date the Trust becomes a party to the contractual provisions of the instrument. Financial assets are derecognised when the contractual rights to the cash flows from the financial assets expire or are transferred. A transfer occurs when substantially all the risks and returns of ownership the financial asset are passed to an unrelated third party. Financial liabilities are derecognised when the obligation specified in the contract is discharged, cancelled or expired.

#### g) Impairment of assets

Assets measured at fair value, where changes in value are reflected in the Statement of comprehensive income, are not subject to impairment testing. All other financial assets are reviewed each reporting date to determine whether there is objective evidence of impairment.

An impairment expense is recognised in the Statement of comprehensive income, being the amount by which the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs to sell and its value in use.

##### *Loans to related parties*

The Trust manager assesses at each reporting date whether there is any objective evidence of impairment. If there is objective evidence that an impairment loss on loans to related parties has been incurred, the amount of the loss is measured as the difference between the asset's carrying amount and the present value of estimated future cash flows (excluding future credit losses that have not been incurred), discounted at the financial asset's original effective interest rate. Short term balances are not discounted.

Loans to related parties are presented net of provisions for loan impairment. The Trust manager has individually assessed impairment loan loss provisions. Individually assessed impairment loan provisions are made when there is clear evidence that the Trust will suffer a loss with little chance of recovery and the amount of the loss is measurable. This provision is also reviewed quarterly and recommendations made to the AMP Bank Limited's Audit Committee.

#### h) Taxes

##### *Income tax*

Under current income tax legislation, the Trust is not liable to pay income tax on that part of taxable income which is distributed to beneficiaries of the Trust. Taxable losses cannot be distributed to beneficiaries of the Trust.

# PROGRESS 2005-1 TRUST

## Notes to the financial statements (continued)

for the year ended 31 December 2012

### 1. Summary of significant accounting policies (continued)

#### h) Taxes (continued)

##### *Goods and services tax (GST)*

All revenues, expenses and assets are recognised net of any GST paid, except where they relate to products or services which are input taxed for GST purposes or where the GST incurred is not recoverable from the relevant tax authorities. In such circumstances, the GST paid is recognised as part of the cost of acquisition of the asset or as part of the particular expense.

Receivables and payables are stated with the amount of GST included. The net amount of GST recoverable from or payable to the tax authorities is included as either a receivable or payable in the Statement of financial position.

Cash flows are reported on a gross basis reflecting any GST paid or collected. The GST component of cash flows arising from investing or financing activities, which are recoverable from, or payable to, the local tax authorities are classified as operating cash flows.

#### i) Financial liabilities

Financial liabilities are initially recognised at fair value net of directly attributable incremental transaction costs. After initial recognition, financial liabilities are subsequently measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in the Statement of comprehensive income over the life of the financial liability using the effective interest method.

##### *Debt securities on issue*

The Trust issues long term debt in the wholesale debt markets as part of its securitisation activities. Premiums, discounts and associated issue expenses are recognised using the effective interest method through the Statement of comprehensive income from the date of issue to ensure that securities attain their redemption values by maturity date.

##### *Other liabilities*

Other liabilities include payables to related parties. These are measured at the nominal amount payable. Given the short term nature of most payables, the nominal amount approximates fair value.

#### j) Derivative financial assets, derivative financial liabilities and hedging

The Trust is exposed to changes in interest rates. To mitigate the risk arising from this exposure the Trust uses derivative financial instruments such as basis swaps. Derivative financial liabilities are held for risk and asset management purposes within mandates only and not for the purpose of speculation. The Trust does not hold a derivative trading portfolio.

Derivatives are initially recognised at fair value exclusive of any transaction costs on the date on which a derivative contract is entered into and are subsequently measured to their fair value. All derivatives are carried as assets when fair value is positive and as liabilities when fair value is negative.

Changes in the fair value of any derivative financial instruments are recognised in the statement of comprehensive income in the year in which they arise.

##### *Accounting for hedges*

##### *Derivatives that do not qualify for hedge accounting*

Certain derivative financial instruments do not qualify for hedge accounting. Changes in the fair value of any derivative financial instrument that does not qualify for hedge accounting are recognised in the Statement of comprehensive income in the period in which they arise.

##### *Fair value estimation*

The fair value of financial instruments that are not traded in an active market (for example over the counter derivatives) is determined using valuation techniques. Valuation Techniques include net present value techniques, discounted cash flow models and comparison to quoted market prices or dealer quotes for similar instruments.

#### k) Offsetting financial instruments

Financial assets and liabilities are offset and the net amount reported in the Statement of financial position when there is a legally enforceable right to offset the recognised amount and there is an intention to settle on a net basis, or realise the asset and liability simultaneously.

## **PROGRESS 2005-1 TRUST**

### **Notes to the financial statements (continued)**

for the year ended 31 December 2012

#### **1. Summary of significant accounting policies (continued)**

##### **l) Interest income and expense**

Interest income and expense for all financial instruments measured at amortised cost is recognised in the Statement of comprehensive income using the effective interest method.

The effective interest method is a method of calculating the amortised cost of a financial asset or liability and of allocating the interest income or interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash receipts through the expected life of the financial instrument, or where appropriate, a shorter period, to the net carrying amount of the financial asset or liability. When calculating the effective interest rate, cash flows are estimated based upon all contractual terms of the financial instrument (for example, prepayment options) but do not consider future credit losses. The calculation includes all fees and other amounts paid or received between parties to the contract that are an integral part of the effective interest rate, transaction costs and all other premiums or discounts.

##### **m) Fee and commission income**

Fees and commission income includes service fees from mortgages and are generally recognised as incurred.

##### **n) Operating expenses**

Operating expenses are accrued or paid as incurred.

##### **o) Other income/ (expenses)**

Other income/ (expenses) mainly include the gain or loss from changes in fair value of derivatives. Bad debts recovered are from loans to related parties which were previously written off.

##### **p) Going concern**

The financial statements have been prepared on a going concern basis, which contemplates the continuity of normal trading operations and the realisation of assets and settlement of liabilities in the ordinary course of business.

The ability of the Trust to continue to pay its debts as and when they fall due is dependent upon the continuing financial support from financiers' positive cash flows and profitable operations. Given that the Trust and its related parties have sufficient financing facilities, the Trust Manager is of the opinion that the Trust is a going concern and can pay its debts as and when they fall due.

## **PROGRESS 2005-1 TRUST**

### **Notes to the financial statements (continued)**

for the year ended 31 December 2012

#### **2. Significant accounting judgements, estimates and assumptions**

The making of judgements, estimates and assumptions is a necessary part of the financial reporting process and these judgements, estimates and assumptions can have a significant effect on the reported amounts in the financial statements. Estimates and assumptions are determined based on information available to management at the time of preparing the financial report and actual results may differ from these estimates and assumptions. Had different estimates and assumptions been adopted, this may have had a significant impact on the financial statements. Significant accounting judgements, estimates and assumptions are re-evaluated at each reporting period in the light of historical experience and changes to reasonable expectations of future events. Significant accounting judgements, estimates and assumptions include but are not limited to:

##### **a) Fair value of financial assets and financial liabilities**

The Trust manager measures financial assets and some financial liabilities at fair value through profit or loss. Where available, quoted market prices for the same or similar instruments are used to determine fair value. Where there is no market price available for an instrument, a valuation technique is used. The Trust manager applies judgement in selecting valuation techniques and setting valuation assumptions and inputs.

##### **b) Provisions**

###### *Provisions for impairment*

The accounting policy, as explained in Note 1(g) relating to impairment of assets, requires the Trust manager to assess impairment at least each reporting date. The impairment provisions represent the Trust manager's best estimate of the losses incurred in the Loans to related parties at reporting date based on experienced judgement.

The use of judgements and reasonable estimates is considered by the Trust manager to be an essential part of the process for calculating impairment provisions.

## PROGRESS 2005-1 TRUST

### Notes to the financial statements (continued)

for the year ended 31 December 2012

#### 3. Net interest income

	2012	2011
	\$'000	\$'000
<b>Interest income</b>		
Cash and cash equivalents	58	80
Receivables from related parties	166	240
Loans to related parties	8,285	11,786
<b>Total interest income</b>	<b>8,509</b>	<b>12,106</b>
<b>Interest expense</b>		
Derivatives	(2,036)	(2,203)
Debt securities on issue	(5,536)	(8,544)
<b>Total interest expense</b>	<b>(7,572)</b>	<b>(10,747)</b>
<b>Net interest income</b>	<b>937</b>	<b>1,359</b>

#### 4. Other income / (expenses)

	2012	2011
	\$'000	\$'000
Gain/(loss) on fair value of derivatives	1,814	(1,611)
Bad debts recovered	220	-
<b>Total other income/(expenses)</b>	<b>2,034</b>	<b>(1,611)</b>

#### 5. Operating expenses

	2012	2011
	\$'000	\$'000
Trust Manager fees	(39)	(26)
Service fees	(300)	(343)
Trustee fees	(22)	(27)
Other expenses	(22)	(44)
<b>Total operating expenses</b>	<b>(383)</b>	<b>(440)</b>

#### 6. Income tax

There is no income tax expense in 2012 (2011: \$nil).

#### 7. Loans to related parties

	2012	2011
	\$'000	\$'000
Loans to related parties	108,859	143,920
<b>Total loans to related parties</b>	<b>108,859</b>	<b>143,920</b>

Loans to related parties represent loans receivable from AMP Bank Limited.

Under the terms of the Master Trust Deed, AMP Bank Limited assigns mortgage loan assets from AMP Bank Limited to the Warehouse Trusts. The mortgage loan assets were transferred from the Warehouse Trusts to the other Progress Trusts.

## PROGRESS 2005-1 TRUST

### Notes to the financial statements (continued)

for the year ended 31 December 2012

#### 7. Loans to related parties (continued)

Although the loans have been equitably assigned to the Trust, the majority of the risks and rewards relating to these assets have been assessed as remaining with AMP Bank Limited.

Accordingly, the assignment of the mortgage loans from AMP Bank Limited to the Trust does not meet the derecognition requirements set out in current accounting standards. For the year ended 31 December 2012 the loans have been recognised as mortgage loan assets in the financial statements of AMP Bank Limited with a corresponding liability payable to the Trust. The recognition of these amounts as loans to related parties in the Trust ensures consistency in reporting.

The terms, conditions and maturity profile of the loans receivable from AMP Bank Limited are consistent to those of the mortgage loan assets.

As Progress 2005-1 Trust has been equitably assigned the mortgage loans, the Trust has entered into, in accordance with the Master Trust Deed, various facilities and arrangements relating to the mortgage loans including a redraw facility.

#### 8. Other assets

	2012 \$'000	2011 \$'000
Sundry receivables	6	7
<b>Total other assets</b>	<b>6</b>	<b>7</b>

#### 9. Debt securities on issue

Term borrowings <sup>(1)</sup>	112,232	150,383
<b>Total debt securities on issue</b>	<b>112,232</b>	<b>150,383</b>

##### Footnote:

<sup>(1)</sup> Term borrowings consist of Class A and Class B floating rate notes which are at BBSW plus a specified margin. As security for the obligations to the note holders, the Trustee grants a charge over the assets of the Trust to the Security Trustee.

#### 10. Other liabilities

	2012 \$'000	2011 \$'000
Payables to related parties	761	1,125
<b>Total other liabilities</b>	<b>761</b>	<b>1,125</b>

#### 11. Units on issue

	2012 Number	2012 \$	2011 Number	2011 \$
Residual capital units	10	50	10	50
Residual income units	1	5	1	5

##### Residual Capital Units

The beneficial interest held by the holders of the residual capital units is limited to the Trust and each asset of the Trust (other than any asset of the Trust on Trust for the holders of residual income units). Residual capital units have no right to receive distributions in respect of the Trust other than the right to receive on the termination of the Trust the issue price paid for the residual capital unit and the entire beneficial interest of the Trust subject to the right of the holders of residual income units.

##### Residual Income Units

The beneficial interest held by the holder of a residual income unit is limited to the right to receive distributions. A residual income unit must not be issued to any person unless that person is also then the holder of a residual capital unit.

## PROGRESS 2005-1 TRUST

### Notes to the financial statements (continued)

for the year ended 31 December 2012

#### 12. Auditor's remuneration

The audit fee for the Trust is \$13k (2011: \$19k).

#### 13. Commitments

	2012	2011
	\$'000	\$'000
Commitments to provide credit facilities <sup>(1)</sup>	57,742	68,752
<b>Total commitments</b>	<b>57,742</b>	<b>68,752</b>

**Footnote:**

<sup>(1)</sup> Commitments to provide credit facilities include all obligations on the Trust to provide credit facilities. As facilities may expire without being drawn upon, the notional amounts do not necessarily reflect future cash payments.

<b>Net cash flows from operating activities</b>	<b>38,751</b>	<b>36,089</b>
<b>b) Reconciliation of cash and cash equivalents</b>		
Cash at bank and cash on deposits	1,081	1,392
<b>Balance at the end of the year</b>	<b>1,081</b>	<b>1,392</b>

#### 15. Events occurring after the reporting date

As at the date of this report, the Trust Manager is not aware of any matter or circumstance that has arisen since the reporting date that has significantly affected or may significantly affect the Trust's operations in future years; the results of those operations in future years; or the Trust's state of affairs in future years which is not already reflected in this report.

# PROGRESS 2005-1 TRUST

## Manager's Declaration

for the year ended 31 December 2012

As detailed in Note 1 to the financial statements, the Trust is not a reporting entity because in the opinion of the Trust Manager there are unlikely to exist users of the financial report who are unable to command the preparation of the reports tailored so as to satisfy specifically all of their information needs. Accordingly, this 'special purpose financial report' has been prepared to satisfy the Trust Manager's reporting requirements under the Trust Deed.

In accordance with a resolution, the Trust Manager declares that:

- (a) in the opinion of Trust Manager the financial statements presents fairly the financial performance and the cash flows for the year ended 31 December 2012, and the financial position of the Trust as at 31 December 2012;
- (b) in the opinion of the Trust Manager, the Trust has operated during the year ended 31 December 2012 in accordance with the provisions of the Master Trust Deed dated 24 June 1997; and
- (c) in the opinion of the Trust Manager, there are reasonable grounds to believe that the Trust will be able to pay its debts as and when they become due and payable.

## Independent auditor's report to the unitholders of Progress 2005-1 Trust

We have audited the accompanying special purpose financial report of Progress 2005-1 Trust, which comprises the statement of financial position as at 31 December 2012, and the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year ended on that date, a summary of significant accounting policies, other explanatory notes and the Trust Manager's declaration.

### Trust Manager's Responsibility for the Financial Report

The Trust Manager is responsible for the preparation of the financial report and has determined that the basis of preparation described in Note 1 to the financial report is appropriate to meet the financial reporting requirements of the Master Trust Deed and is appropriate to meet the needs of the unitholders. The Trust Manager is also responsible for such controls as they determine are necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error.

### Auditor's Responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. Those standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance about whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on our judgment, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, we consider internal controls relevant to the entity's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal controls. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Trust Manager, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### Independence

In conducting our audit we have complied with the independence requirements of the Australian professional accounting bodies.

### Opinion

In our opinion the financial report presents fairly, in all material respects, the financial position of Progress 2005-1 Trust as of 31 December 2012 and its financial performance and its cash flows for the year then ended in accordance with the accounting policies described in Note 1 to the financial statements.

## Basis of Accounting and Restriction on Distribution

Without modifying our opinion, we draw attention to Note 1 to the financial report which describes the basis of accounting. The financial report is prepared to assist Progress 2005-1Trust to meet the requirements of the Master Trust Deed. As a result the financial report may not be suitable for another purpose. Our report is intended solely for unitholders of Progress 2005-1Trust and should not be distributed to parties other than the unitholders of Progress 2005-1Trust.
