Hillside Mining Lease Proposal for public comment

The South Australian Government's Department for Manufacturing, Innovation, Trade, Resources and Energy (DMITRE) has advertised public notices inviting public comment on the Rex Minerals' ("Rex") Mining Lease Proposal ("MLP") for the Hillside Copper Mine.

The proposal can be viewed and downloaded from the DMITRE website and viewed at the offices of the District Council of Yorke Peninsula and at Rex's Ardrossan office, now located at Shop 38b First Street, Ardrossan. The document is available for viewing and public consultation for 6 weeks. DMITRE can provide guidance regarding the process of making formal submissions in relation to the MLP.

Rex's Managing Director, Mr Mark Parry, said today "Rex has been a part of the Yorke Peninsula community for a number of years and we look forward to continuing to be a supportive and long term member of the community. The Hillside Copper Mine, when developed, will complement and diversify the social and economic integrity of the Yorke Peninsula, and deliver significant benefits to the broader South Australian economy."
