Appointment of Deputy Chairman and Exercise of Options by Directors

Sprintex is pleased to announce that Mr David White has been appointed as the Deputy Chairman of the Company. Mr White has been a non-executive director of the Company since March 2012.

Mr White has over 30 years' experience in managing a variety of companies in the Information and Communications Technologies (ICT) industry, during which he was the Chairman of the Board of Telecom Malagasy, a nation-wide telecommunications service

provider in Madagascar offering both landline and mobile services, as well as a director of Abiba Software in India and Value Access.

The Board has also reaffirmed its financial support for the Company and individual directors have agreed to exercise part of their options.

Company Overview

Sprintex Limited (Sprintex) is the ISO 9001 accredited designer and manufacturer of the patented low emission, highly efficient Sprintex® twin screw supercharger. Following commissioning of a low cost volume manufacturing in Malaysia, Sprintex is now focusing on participation in the exponential growth underway in the global forced induction marketplace.
