

## CHAIRMAN TAKES PLACEMENT

Thundelarra Limited ACN 085 782 994 (**Company**) is pleased to announce that it has agreed, subject to the receipt of shareholder approval, to place 14,705,882 shares at an issue price of \$0.034 per share (being the same issue price as the recently closed share purchase plan) to Mr Philip Crabb (or his nominee), a director of the Company to raise approximately \$500,000 (**Placement**).

Thundelarra's Chairman Philip Crabb commented:

*"My ongoing support for the Company demonstrates my consistent and continuing belief in the Company's prospects for success going forward . We are really excited by our core exploration targets and I can think of no better way of underlying the potential we believe these prospects have.*

*In these very difficult market conditions in the resources sector where the Company has implemented drastic cost cutting measures to reduce operating overheads which included reducing the surplus workforce, significantly reducing management and board remuneration levels and the rationalisation of surplus and non-core exploration projects within the Company to ensure ongoing viability we need to lead by example".*

The proceeds from the Placement will be applied firstly to new exploration at Red Bore and Curara Well, secondly to ongoing exploration at Allamber, Sophie Downs, Frank Hill, Copperfield and other projects as required; and thirdly to pay costs of the capital raising, costs associated with the Red Bore dispute and general working capital requirements.

Settlement of the Placement will occur after receipt of shareholder approval. Shareholder approval will be sought at the Company's next annual general which is scheduled to be held in February 2014.

An Appendix 3B is attached.
