

15 April 2013

Dear Shareholder

Invitation to Participate in Talga Resources Limited's Share Purchase Plan

On 11 April 2013, Talga Resources Limited (ACN 138 405 419) (**Talga Resources** or the **Company**) announced its intention to offer shareholders the opportunity to participate in a share purchase plan to subscribe for ordinary, fully paid shares in the Company (**Plan**).

The Board believes the Company is on the right path to deliver the achievement of significant near term milestones. Talga has quickly progressed since acquiring the majority of its Swedish graphite tenements in mid-2012, with three drilling programs completed resulting in multiple JORC compliant resources, highlighted by the World's highest grade graphite resource of 7.6Mt at 24.4% Cg at Nunasvaara.

Proceeds from the Plan will be used to fund the Company's 2013 graphite exploration program in Sweden including drilling and resource expansion of the Raitajärvi graphite project, preliminary economic studies on both Nunasvaara and Raitajärvi projects and for general working capital. These development milestones are aimed to provide an economic basis for a positive re-rating of the Company's value and will place it amongst the most advanced graphite developers globally.

The Company's Board of Directors is now pleased to make the offer to eligible shareholders on the Terms and Conditions enclosed with this letter, and advises that the Board intends to participate to the fullest extent under the offer.

Shareholders eligible to participate in the Plan

The right to participate in the Plan is optional and is only available to shareholders who are registered as holders of fully paid ordinary shares in the capital of Talga Resources (**Shares**) at 5.00pm (AWST) on the Record Date of **10 April 2013** and whose registered address is in Australia or New Zealand (**Eligible Shareholders**).

Share Purchase Plan

The Plan entitles Eligible Shareholders in the Company, irrespective of the size of their shareholding, to purchase up to \$15,000 worth of Shares at \$0.19 cents per Share, free of brokerage and commission (**Offer**).

The average market price of Talga Resources Shares on the Australian Securities Exchange (**ASX**) during the 5 trading days immediately prior to the announcement date of the Offer was \$0.233

Details of the Offer are set out in this letter and the enclosed Terms and Conditions, together with an Entitlement and Acceptance Form.

Current Projects

Details of the Company's current activities are set out in the announcements made by Talga Resources to the ASX and are available from the ASX or Talga Resources' website at www.talgaresources.com.

The funds raised under the Plan will be used by the Company primarily for funding the Company's current 2013 Swedish graphite exploration programs including drilling and resource expansion of the Raitajärvi graphite project, preliminary economic studies on both Nunasvaara and Raitajärvi projects and for general working capital.

How much can you invest?

Under the Plan, Eligible Shareholders may purchase Shares up to a maximum of \$15,000 worth of Shares (being 78,947 Shares at the Offer price of \$0.19 cents per Share). The maximum investment any Eligible Shareholder may apply for will remain \$15,000 even if they receive more than one Offer (whether in respect of a joint holding or because they have more than one holding under a separate account).

Eligible Shareholders may participate by selecting one of the following Offers to purchase Shares under the Plan:

Applications (together with payment) must be received on or before the **Closing Date of 5:00 (AWST) on Monday 6 May 2013**. No late applications will be accepted. Once an application has been made, it cannot be revoked. All valid applications shall be deemed accepted if received before the Closing Date.

Please refer to the Plan Terms & Conditions for details of the certification you will be deemed to provide when you participate in the Offer by returning an Entitlement and Acceptance Form or by paying by BPAY.

Purchase Price and acceptance of risk factors

The purchase price of Shares under the Offer is \$0.19 cents per Share. On the trading day immediately prior to the announcement date of the Offer (**Announcement Date**), the closing price of Talga Resources traded on ASX was \$0.23. The Offer price of \$0.19 cents per Share represents a 17.4% discount to the closing price of Talga Resources Shares on the Announcement Date.

The market price of the Shares in the Company may rise and fall between the date of the Offer and the date that any Shares are allotted to you as a result of your acceptance of this Offer.

By accepting the Offer and applying for Shares under the Plan, each Eligible Shareholder will be acknowledging that, although the Offer price is at a discount to the Share price on the Announcement Date, Shares are a speculative investment and the price of Shares on ASX may change between the date of the Company announcing its intention to make an Offer and the date of issue of Shares under that Offer and that the value of the Shares received under the Plan may rise or fall accordingly.

The Board recommends that you obtain your own financial advice in relation to the Offer and consider price movements of Shares in the Company prior to accepting this Offer.

Additional Information and Important Dates

The Offer cannot be transferred and the Board reserves the right to reject any application. Shares allotted under the Plan will be issued as soon as practicable after the Closing Date of the Offer. Application for quotation on ASX of the new Shares will be made immediately following the issue of those Shares.

A maximum of 16,321,322 Shares may be issued pursuant to the Offer. In the event of an oversubscription by the Closing Date, the Directors may, in their absolute discretion, scale-back all applications on any basis they deem fit. The Directors may also elect to accept less than the maximum number of Shares that may be issued under the Offer.

If the Company rejects or scales-back an application or purported application, the Company will promptly return to the shareholder the relevant application monies, without interest.

New Zealand offer restrictions

The Plan Shares are not being offered or sold to the public within New Zealand other than to existing shareholders of the Company with registered addresses in New Zealand and to whom the Offer is being made in reliance on the *Securities Act (Overseas Companies) Exemption Notice 2002* (New Zealand).

The Plan Terms and Conditions have been determined by the Board of Directors of the Company.

Shareholders eligible to participate

The maximum amount, which any Eligible Shareholder may subscribe for in any consecutive 12 month period under the Plan, is A\$15,000. The Board may also determine in its discretion, the minimum amount for participation, the multiple of Shares to be offered under the Plan and the period the Offer is available to Eligible Shareholder.

Custodians, trustees and nominees

If you are an Eligible Shareholder and hold Shares as a custodian (as defined in ASIC Class Order CO 09/425 (refer below) (**Custodian**) or in any more specific ASIC relief granted to the Company in relation to the Plan), you may apply for up to the maximum number of new Shares for each beneficiary for whom you act as custodian, provided you annexe to your Entitlement and Acceptance Form a certificate to the Company (**Custodian Certificate**) confirming the following:

- that you held Shares on behalf of one or more other persons (each a **Participating Beneficiary**) at 5:00pm (AWST) on the Record Date and have subsequently been instructed by those Participating Beneficiaries to apply for Shares under the Plan on their behalf;
- the number of Participating Beneficiaries and their names and addresses;
- the number of Shares that you hold on behalf of each Participating Beneficiary;
- the dollar amount of Shares that each Participating Beneficiary has instructed you, either directly or indirectly through another custodian, to apply for on their behalf;
- that the application price for Shares applied for under the Offer for each Participating Beneficiary for whom you act, plus the application price for any other Shares issued to you as custodian for that Participating Beneficiary under any arrangement similar to the Plan in the prior 12 months does not exceed \$15,000;

If you hold Shares as a trustee or nominee for another person or persons but are not a Custodian as defined above, you cannot participate for beneficiaries in the manner described above. In this case, the rules for multiple single holdings (above) apply.

Custodians should request a Custodian Certificate when making an application on behalf of Participating Beneficiaries. To request a Custodian Certificate and if you would like further information on how to apply, you should contact the Company's Share Registry, Advanced Share Registry Services on +61 (0) 8 9389 8033 at any time from 8:30am to 5:00pm (AWST) Monday to Friday during the Offer period.

The Company reserves the right to reject applications in accordance with these Terms and Conditions.

Price of Shares

The price of Shares to be issued under the Plan is \$0.19 cents per Share.

Applications, notices and certification

At the Board's discretion, the Company will send Eligible Shareholders a letter of offer and acceptance procedures, inviting them to subscribe for Shares under the Plan, and accompanied by the Terms and Conditions of the Plan and an Entitlement & Acceptance Form. Applications will not be accepted after the Closing Date of the Offer. Oversubscriptions to the Offer may be refunded without interest.

Notices and statements made by the Company to participants may be given in any manner prescribed by its Constitution.

By returning an Entitlement and Acceptance Form or by paying by BPAY, an applicant:

-acknowledges that the application is irrevocable;
-acknowledges and warrants they are an Eligible Shareholder; and
-certifies that the aggregate of the application price for the following does not exceed \$15,000:
 - (i) the Talga Resources Shares that are the subject of the application; and
 - (ii) any other Talga Resources Shares applied for by the applicant under the Plan (or any similar arrangement in the 12 months prior to the application), whether:
 - (A) in the applicant's own right; or
 - (B) jointly with one or more persons; or
 - (C) in the applicant's capacity as a beneficiary (as defined below),

but not including in the applicant's capacity as a trustee or nominee where it is expressly noted on Talga Resources' register of members that the shareholding is held on account of another person.

If 2 or more persons are recorded in the register of members as jointly holding the Shares to which an applicant's application relates, they are taken to be a single registered holder and these statements are taken to be given by all of them.

If a trustee or nominee is expressly noted on Talga Resources' register of members as holding the shares to which an application relates on account of another person (the "**beneficiary**"), these statements and confirmations are taken to be given by the beneficiary in respect of him/her/itself (and not the trustee or nominee).

By returning an Entitlement and Acceptance Form together with payment or by paying by BPAY, the applicant confirms that it has read, understood and agreed to the Terms and Conditions of the Plan.

Placement of Shortfall

Any shortfall from the Offer may be placed at the Board's discretion.

Issue of Shares

Shares to be issued under the Plan will be issued as soon as reasonably practicable after the Closing Date.

Shares issued under the Plan will rank equally in all respects with all other fully paid ordinary shares in the Company from the date of issue.

Holding statements or CHESS notification will be issued in respect of all Shares issued under the Plan. The Company will, promptly after the issue of Shares under the Plan, make application for those Shares to be listed for quotation on the Official List of ASX.

Modification and termination of the Plan

The Company may modify or terminate the Plan at any time. The Company will notify ASX of any modification to, or termination of, the Plan. The omission to give notice of any modification to, or termination of, the Plan or the failure of ASX to receive such notice will not invalidate the modification or termination.

Without limiting the above, the Company may issue to any Eligible Shareholder fewer Shares than the Eligible Shareholder applied for under the Plan if the issue of the Shares applied for would contravene any applicable law or the Listing Rules of ASX.

Dispute resolution

The Company may, in any manner it thinks fit, settle any difficulties, anomalies or disputes which may arise in connection with or by reason of the operation of the Plan, whether generally or in relation to any participant, application or Shares. The Company's decision in this respect will be conclusive and binding on all shareholders and other persons to whom that determination relates.

The Company reserves the right to waive strict compliance with any provision of these Terms and Conditions. The Company's powers under these Terms and Conditions may be exercised by the directors of the Company or any delegate of the directors of the Company.
