

## ASX ANNOUNCEMENT

1 May 2013

### Banking Covenant update

Viento Group Limited (“Viento”) has agreed new banking terms for its loan facility with the CBA.

The new terms clear the technical breach which Viento advised in its Half Year Report and Accounts announcement released on 28 February 2013.

The new covenant terms now align with the current Viento structure and reflect the high utilisation of plant being financed by the facility. Further, it acknowledges that Viento is in the early stages of building its civil contracting and mining contracting businesses.

The new terms were agreed following Viento’s successful capital raising completed in March 2013 and shows support from CBA for Viento’s strategy.
