

ASX ANNOUNCEMENT

29 July 2013

Viento Awarded Contract at Dampier Salt Limited (a member of Rio Tinto)

Viento Group Limited (Viento, ASX: VIE) subsidiary Viento Contracting Services Pty Ltd (VCS) and Koodaideri Pty Ltd (Koodaideri) have been awarded the Dampier Salt Limited (a member of the Rio Tinto Ltd group of companies; ASX: RIO) Port Hedland Cyclone Repairs contract for their Port Hedland Operation. The contract value is approximately \$7 million (depending on equipment used and duration of proposed works) and is scheduled to commence on the 5 August 2013.

The project is the first contract awarded to the joint venture between Koodaideri and Viento as foreshadowed in the ASX announcement dated 15 January 2013.

The project is expected to run for between 9-12 months. The joint venture will supply operators, plant and equipment for remedial works to the Dampier Salt Port Hedland operations. The equipment requirements will be largely provided out of existing available fleet.

Mr Peter Todd, Managing Director of Koodaideri said: "Koodaideri is pleased that the joint venture has secured its first contract. The combined and proven expertise of the Koodaideri - VCS team is focussed on delivering great outcomes for the mining industry. This is a great opportunity to provide our services to a member of the Rio Tinto Ltd group of companies. We look forward to a long rewarding partnership."
