17 April 2013

Viento awarded major contract with Ansaldo STS

Viento Group Limited ("Viento") subsidiary Mineworks Group Pty Ltd ("Mineworks") has been awarded an equipment hire contract worth approximately \$5 million worth of plant.

The equipment will be used by Ansaldo STS in the delivery of capacity and efficiency upgrades and enhancements to Rio Tinto's heavy haul iron ore rail network, with first equipment being mobilised this week. The supply of the equipment will be for an initial term through to October 2014.

Mr John Gallop, Managing Director of Mineworks said "This is a significant opportunity for Mineworks to grow our hire fleet. We look forward to a long and rewarding partnership with Ansaldo STS."
