

## ASX ANNOUNCEMENT

24 July 2013

### Extension of Ansaldo STS contract

Viento Group Limited (Viento, ASX: VIE) subsidiary Mineworks Group Pty Ltd (Mineworks) have had a significant extension of their equipment hire contract as previously announced to the ASX on 17th April 2013.

The total contract value has increased from approximately \$5 million to \$8.2 million. The revenue forecast from the contract for the financial year to 30 June 2014 is in the order of \$5 million.

Mr John Gallop, Managing Director of Mineworks said "this increased scope confirms the longer term partnership that is developing with Ansaldo STS. This project together with additional scope from current clients, including associated entity Viento Contracting Services, will deliver a high level of equipment utilisation in this financial year."

– ENDS –

#### About Viento

Viento is a growing mining servicing industry business specialising in civil contracting on rail embankments, access roads and general mine infrastructure projects, mine pre-stripping, contract mining and utility services to the mining, oil & gas industries. Viento provides equipment and labour hire to established mining and civil projects, heavy duty mechanical repairs and mine site shutdowns. Viento continues to manage two residential land subdivisions.

#### About Mineworks

Mineworks Group offers a range of mining support services – from equipment hire and maintenance to the labour hire of skilled staff. Mineworks are intent on delivering quality solutions to the mining industry.
